INDEPENDENT AUDITOR'S REPORT

TO: THE OFFICIALS OF THE EAST GIBSON SCHOOL CORPORATION, GIBSON COUNTY, INDIANA

Report on the Financial Statement

We have audited the accompanying financial statement of the East Gibson School Corporation (School Corporation), which comprises the financial position and results of operations for the period of July 1, 2012 to June 30, 2014, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the financial reporting provisions of the Indiana State Board of Accounts as allowed by state statute (IC 5-11-1-6). Management is responsible for and has determined that the regulatory basis of accounting, as established by the Indiana State Board of Accounts, is an acceptable basis of presentation. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the School Corporation's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School Corporation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITOR'S REPORT
(Continued)

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As discussed in Note 1 of the financial statement, the School Corporation prepares its financial statement on the prescribed basis of accounting that demonstrates compliance with the reporting requirements established by the Indiana State Board of Accounts as allowed by state statute (IC 5-11-1-6), which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statement referred to above does not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position and results of operations of the School Corporation for the period of July 1, 2012 to June 30, 2014.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position and results of operations of the School Corporation for the period of July 1, 2012 to June 30, 2014, in accordance with the financial reporting provisions of the Indiana State Board of Accounts described in Note 1.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the School Corporation's financial statement. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the *U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the financial statement. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. The information has been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the financial statement taken as a whole.

Other Information

Our audit was conducted for the purpose of forming an opinion on the School Corporation's financial statement. The Combining Schedules of Receipts, Disbursements, Other Financing Sources (Uses), and Cash and Investment Balances - Regulatory Basis, Schedule of Payables and Receivables, Schedule of Leases and Debt, and Schedule of Capital Assets, as listed in the Table of Contents, are presented for additional analysis and are not required parts of the financial statement. They have not been subjected to the auditing procedures applied by us in the audit of the financial statement and, accordingly, we express no opinion on them.

INDEPENDENT AUDITOR'S REPORT
(Continued)

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated April 2, 2015, on our consideration of the School Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School Corporation's internal control over financial reporting and compliance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL
STATEMENT PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

TO: THE OFFICIALS OF THE EAST GIBSON SCHOOL CORPORATION, GIBSON COUNTY, INDIANA

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statement of the East Gibson School Corporation (School Corporation), which comprises the financial position and results of operations for the period of July 1, 2012 to June 30, 2014, and the related notes to the financial statement, and have issued our report thereon dated April 2, 2015, wherein we noted the School Corporation followed accounting practices the Indiana State Board of Accounts prescribes rather than accounting principles generally accepted in the United States of America.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statement, we considered the School Corporation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the School Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the School Corporation's internal control.

Our consideration of the internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying Schedule of Findings and Questioned Costs, we identified certain deficiencies in internal control over financial reporting that we consider to be material weaknesses and significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented, or detected and corrected, on a timely basis. We consider the deficiencies described in the accompanying Schedule of Findings and Questioned Costs as items 2014-001 and 2014-002 to be material weaknesses.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL
STATEMENT PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*
(Continued)

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiencies described in the accompanying Schedule of Findings and Questioned Costs as item 2014-003 to be significant deficiencies.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School Corporation's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying Schedule of Findings and Questioned Costs as item 2014-001.

East Gibson School Corporation's Response to Findings

The School Corporation's response to the findings identified in our audit is described in the accompanying Corrective Action Plan. The School Corporation's response was not subjected to the auditing procedures applied in the audit of the financial statement and, accordingly, we express no opinion on it.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School Corporation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

EAST GIBSON SCHOOL CORPORATION
NOTES TO FINANCIAL STATEMENT

Note 1. Summary of Significant Accounting Policies

A. Reporting Entity

School Corporation, as used herein, shall include, but is not limited to, school townships, school towns, school cities, consolidated school corporations, joint schools, metropolitan school districts, township school districts, county schools, united schools, school districts, cooperatives, educational service centers, community schools, community school corporations, and charter schools.

The School Corporation was established under the laws of the State of Indiana. The School Corporation operates under a Board of School Trustees form of government and provides educational services.

The accompanying financial statement presents the financial information for the School Corporation.

B. Basis of Accounting

The financial statement is reported on a regulatory basis of accounting prescribed by the Indiana State Board of Accounts in accordance with state statute (IC 5-11-1-6), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The basis of accounting involves the reporting of only cash and investments and the changes therein resulting from cash inflows (receipts) and cash outflows (disbursements) reported in the period in which they occurred.

The regulatory basis of accounting differs from accounting principles generally accepted in the United States of America in that receipts are recognized when received in cash, rather than when earned, and disbursements are recognized when paid, rather than when a liability is incurred.

C. Cash and Investments

Investments are stated at cost. Any changes in fair value of the investments are reported as receipts in the year of the sale of the investment.

D. Receipts

Receipts are presented in the aggregate on the face of the financial statement. The aggregate receipts include the following sources:

Local sources which include taxes, revenue from local governmental units other than school corporations, transfer tuition, transportation fees, investment income, food services, School Corporation activities, revenue from community services activities, and other revenue from local sources.

Intermediate sources which include distributions from the County for fees collected for or on behalf of the School Corporation including educational license plate fees, congressional interest, riverboat distributions, and other similar fees.

EAST GIBSON SCHOOL CORPORATION
NOTES TO FINANCIAL STATEMENT
(Continued)

State sources include distributions from the State of Indiana and are to be used by the School Corporation for various purposes. Included in state sources are unrestricted grants, restricted grants, revenue in lieu of taxes, and revenue for or on behalf of the School Corporation.

Federal sources include distributions from the federal government and are to be used by the School Corporation for various purposes. Included in federal sources are unrestricted grants, restricted grants, revenue in lieu of taxes, and revenue for or on behalf of the School Corporation.

Other receipts which include amounts received from various sources which include return of petty cash, return of cash change, insurance claims for losses, sale of securities, and other receipts not listed in another category above.

E. Disbursements

Disbursements are presented in the aggregate on the face of the financial statement. The aggregate disbursements include the following uses:

Instruction which includes outflows for regular programs, special programs, adult and continuing education programs, summer school programs, enrichment programs, remediation, and payments to other governmental units.

Support services which include outflows for support services related to students, instruction, general administration, and school administration. It also includes outflows for central services, operation and maintenance of plant services, and student transportation.

Noninstructional services which include outflows for food service operations and community service operations.

Facilities acquisition and construction which includes outflows for the acquisition, development, construction, and improvement of new and existing facilities.

Debt services which include fixed obligations resulting from financial transactions previously entered into by the School Corporation. It includes all expenditures for the reduction of the principal and interest of the School Corporation's general obligation indebtedness.

Nonprogrammed charges which include outflows for donations to foundations, securities purchased, indirect costs, scholarships, and self-insurance payments.

F. Other Financing Sources and Uses

Other financing sources and uses are presented in the aggregate on the face of the financial statement. The aggregate other financing sources and uses include the following:

Sale of capital assets which includes money received when land, buildings, or equipment owned by the School Corporation is sold.

EAST GIBSON SCHOOL CORPORATION
NOTES TO FINANCIAL STATEMENT
(Continued)

Transfers in which includes money received by one fund as a result of transferring money from another fund. The transfers are used for cash flow purposes as provided by various statutory provisions.

Transfers out which includes money paid by one fund to another fund. The transfers are used for cash flow purposes as provided by various statutory provisions.

G. Fund Accounting

Separate funds are established, maintained, and reported by the School Corporation. Each fund is used to account for money received from and used for specific sources and uses as determined by various regulations. Restrictions on some funds are set by statute while other funds are internally restricted by the School Corporation. The money accounted for in a specific fund may only be available for use for certain, legally restricted purposes. Additionally, some funds are used to account for assets held by the School Corporation in a trustee capacity as an agent of individuals, private organizations, other funds, or other governmental units and therefore the funds cannot be used for any expenditures of the unit itself.

Note 2. Budgets

The operating budget is initially prepared and approved at the local level. The fiscal officer of the School Corporation submits a proposed operating budget to the governing board for the following calendar year. The budget is advertised as required by law. Prior to adopting the budget, the governing board conducts public hearings and obtains taxpayer comments. Prior to November 1, the governing board approves the budget for the next year. The budget for funds for which property taxes are levied or highway use taxes are received is subject to final approval by the Indiana Department of Local Government Finance.

Note 3. Property Taxes

Property taxes levied are collected by the County Treasurer and are scheduled to be distributed to the School Corporation in June and December; however, situations can arise which would delay the distributions. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100 percent of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which normally become delinquent if not paid by May 10 and November 10, respectively.

Note 4. Deposits and Investments

Deposits, made in accordance with state statute (IC 5-13), with financial institutions in the State of Indiana at year end should be entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

EAST GIBSON SCHOOL CORPORATION
NOTES TO FINANCIAL STATEMENT
(Continued)

State statutes authorize the School Corporation to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

Note 5. Risk Management

The School Corporation may be exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; job related illnesses or injuries to employees; medical benefits to employees, retirees, and dependents; and natural disasters.

These risks can be mitigated through the purchase of insurance, establishment of a self-insurance fund, and/or participation in a risk pool. The purchase of insurance transfers the risk to an independent third party. The establishment of a self-insurance fund allows the School Corporation to set aside money for claim settlements. The self-insurance fund would be included in the financial statement. The purpose of participation in a risk pool is to provide a medium for the funding and administration of the risks.

Note 6. Pension Plans

A. Public Employees' Retirement Fund

Plan Description

The Indiana Public Employees' Retirement Fund (PERF) is a defined benefit pension plan. PERF is a cost-sharing multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All full-time employees are eligible to participate in this defined benefit plan. State statutes (IC 5-10.2 and 5-10.3) govern, through the Indiana Public Retirement System (INPRS) Board, most requirements of the system, and give the School Corporation authority to contribute to the plan. The PERF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3 percent of compensation, plus the interest credited to the member's account. The employer may elect to make the contributions on behalf of the member.

INPRS administers the plan and issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole and for its participants. That report may be obtained by contacting:

Indiana Public Retirement System
One North Capitol, Suite 001
Indianapolis, IN 46204
Ph. (888) 526-1687

Funding Policy and Annual Pension Cost

The contribution requirements of the plan members for PERF are established by the Board of Trustees of INPRS.

EAST GIBSON SCHOOL CORPORATION
NOTES TO FINANCIAL STATEMENT
(Continued)

B. Teachers' Retirement Fund

Plan Description

The Indiana Teachers' Retirement Fund (TRF) is a defined benefit pension plan. TRF is a cost-sharing multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All employees engaged in teaching or in the supervision of teaching in the public schools of the State of Indiana are eligible to participate in TRF. State statute (IC 5-10.2) governs, through the Indiana Public Retirement System (INPRS) Board, most requirements of the system, and gives the School Corporation authority to contribute to the plan. The TRF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3 percent of compensation, plus the interest credited to the member's account. The School Corporation may elect to make the contributions on behalf of the member.

INPRS issues a publicly available financial report that includes financial statements and required supplementary information for the TRF plan as a whole and for its participants. That report may be obtained by contacting:

Indiana Public Retirement System
One North Capitol, Suite 001
Indianapolis, IN 46204
Ph. (888) 286-3544

Funding Policy and Annual Pension Cost

The School Corporation contributes the employer's share to TRF for certified employees employed under a federally funded program and all the certified employees hired after July 1, 1995. The School Corporation currently receives partial funding, through the school funding formula, from the State of Indiana for this contribution. The employer's share of contributions for certified personnel who are not employed under a federally funded program and were hired before July 1, 1995, is considered to be an obligation of, and is paid by, the State of Indiana.

Note 7. Cash Balance Deficits

The financial statement contains some funds with deficits in cash. The Construction fund is negative due to an insurance claim. The School Corporation had to immediately make the repairs to the buildings and then waited for an insurance reimbursement. The School Corporation was hit with a succession of thunderstorms, resulting in multiple claims, including an amended claim. This damage occurred at Francisco and Barton Township Schools. The deficit balance in the remaining funds is a result of the funds being set up for reimbursable grants. The reimbursement for expenditures made by the School Corporation was not received by June 30 for each fiscal year.

Note 8. Other Postemployment Benefits

The School Corporation provides to eligible retirees and their spouses the following benefits: post-employment health insurance and bridge to retirement benefits, as authorized by Indiana Code 5-10-8. The School Corporation also provides termination benefits to eligible retirees. These benefits pose a liability to the School Corporation for this year and in future years. Information regarding the benefits can be obtained by contacting the School Corporation.

OTHER INFORMATION - UNAUDITED

The School Corporation's Financial Reports can be found on the Indiana Department of Education website: <http://mustang.doe.state.in.us/TRENDS/fin.cfm>. This website is maintained by the Indiana Department of Education. More current financial information is available from the School Corporation Treasurer's Office. Additionally, some financial information of the School Corporation can be found on the Gateway website: <https://gateway.ifionline.org/>.

Differences may be noted between the financial information presented in the financial statement contained in this report and the financial information presented in the Financial Reports of the School Corporation which are referenced above. These differences, if any, are due to adjustments made to the financial information during the course of the audit. This is a common occurrence in any financial statement audit. The financial information presented in this report is audited information, and the accuracy of such information can be determined by reading the opinion given in the Independent Auditor's Report.

The other information presented was approved by management of the School Corporation. It is presented as intended by the School Corporation.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE

TO: THE OFFICIALS OF THE EAST GIBSON SCHOOL CORPORATION, GIBSON COUNTY, INDIANA

Report on Compliance for Each Major Federal Program

We have audited the East Gibson School Corporation's (School Corporation) compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that could have a direct and material effect on each of its major federal programs for the period of July 1, 2012 to June 30, 2014. The School Corporation's major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the School Corporation's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the School Corporation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the School Corporation's compliance.

Opinion on Each Major Federal Program

In our opinion, the School Corporation complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the period of July 1, 2012 to June 30, 2014.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
(Continued)

Report on Internal Control Over Compliance

Management of the School Corporation is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the School Corporation's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the School Corporation's internal control over compliance.

Our consideration of internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control over compliance that we consider to be material weaknesses.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. We consider the deficiencies in internal control over compliance described in the accompanying Schedule of Findings and Questioned Costs as item 2014-004 to be material weaknesses.

The School Corporation's response to the internal control over compliance findings identified in our audit is described in the accompanying Corrective Action Plan. The School Corporation's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

Paul D. Joyce, CPA
State Examiner

April 2, 2015

The accompanying notes are an integral part of the Schedule of Expenditures of Federal Awards.

EAST GIBSON SCHOOL CORPORATION
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Note 1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the School Corporation and is presented in accordance with the cash and investment basis of accounting used in the preparation of the financial statement. Accordingly, the amount of federal awards expended is based on when the disbursement related to the award occurs except when the federal award is received on a reimbursement basis. In these instances the federal awards are considered expended when the reimbursement is received.

Circular A-133 requires an annual audit of nonfederal entities expending a total amount of federal awards equal to or in excess of \$500,000 in any fiscal year unless by constitution or statute a less frequent audit is required. In accordance with Indiana Code (IC 5-11-1-25), audits of school corporations shall be conducted biennially. Such audits shall include both years within the biennial period.

Note 2. Noncash Assistance

The School Corporation expended the following amount of noncash assistance for the years ending June 30, 2013 and 2014. This noncash assistance is also included in the federal expenditures presented in the schedule.

Program Title	2013	2014
Child Nutrition Cluster	\$ 27,986	\$ 27,955

Material weaknesses identified?	yes
Significant deficiencies identified?	yes
Noncompliance material to financial statement noted?	yes

Federal Awards:

Internal control over major programs:	
Material weaknesses identified?	yes
Significant deficiencies identified?	none reported
Type of auditor's report issued on compliance for major programs:	Unmodified
Any audit findings disclosed that are required to be reported in accordance with section 510(a) of OMB Circular A-133?	yes

Identification of Major Programs:

Name of Federal Program or Cluster

Child Nutrition Cluster
Special Education Cluster (IDEA)

Dollar threshold used to distinguish between Type A and Type B programs: \$300,000

Auditee qualified as low-risk auditee? no

Section II - Financial Statement Findings

FINDING 2014-001 - PREPARATION OF THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

The School Corporation did not have a proper system of internal control in place to prevent, or detect and correct, errors on the Schedule of Expenditures of Federal Awards (SEFA).

The School Corporation should have proper controls in place over the preparation of the SEFA to ensure accurate reporting of federal awards. Without a proper system of internal control in place that operates effectively, material misstatements of the SEFA could remain undetected.

During the audit of the SEFA, we noted the following errors: two misstated program expenditures, one state match that was incorrectly included, and one grant that was not reported. Audit adjustments were proposed, accepted by the School Corporation, and made to the SEFA presented in this report.

EAST GIBSON SCHOOL CORPORATION
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
(Continued)

Governmental units should have internal controls in effect which provide reasonable assurance regarding the reliability of financial information and records, effectiveness and efficiency of operations, proper execution of management's objectives, and compliance with laws and regulations. Among other things, segregation of duties, safeguarding controls over cash and all other assets, and all forms of information processing are necessary for proper internal control.

Controls over the receipting, disbursing, recording, and accounting for the financial activities are necessary to avoid substantial risk of invalid transactions, inaccurate records and financial statements and incorrect decision making. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

OMB Circular A-133, Subpart C, section .300 states in part: "The auditee shall: . . . (d) Prepare appropriate financial statements, including the schedule of expenditures of Federal Awards in accordance with section .310."

OMB Circular A-133, Subpart C, section .310(b) states:

"Schedule of expenditures of Federal awards: The auditee shall also prepare a schedule of expenditures of Federal awards for the period covered by the auditee's financial statements. While not required, the auditee may choose to provide information requested by Federal awarding agencies and pass-through entities to make the schedule easier to use. For example, when a Federal program has multiple award years, the auditee may list the amount of Federal awards expended for each award year separately. At a minimum, the schedule shall:

- (1) List individual Federal programs by Federal agency. For Federal programs included in a cluster of programs, list individual Federal programs within a cluster of programs. For R&D, total Federal awards expended shall be shown either by individual award or by Federal agency and major subdivision within the Federal agency. For example, the National Institutes of Health is a major subdivision in the Department of Health and Human Services.
- (2) For Federal awards received as a subrecipient, the name of the pass-through entity and identifying number assigned by the pass-through entity shall be included.
- (3) Provide the total Federal awards expended for each individual Federal program and the CFDA number or other identifying number when the CFDA information is not available.
- (4) Include notes that describe the significant accounting policies used in preparing the schedule.
- (5) To the extent practical, pass-through entities should identify in the schedule the total amount provided to subrecipients from each Federal program.
- (6) Include, in either the schedule or a note to the schedule, the value of the Federal awards expended in the form of non-cash assistance, the amount of insurance in effect during the year, and loans or loan guarantees outstanding at year end. While not required, it is preferable to present this information in the schedule."

EAST GIBSON SCHOOL CORPORATION
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
(Continued)

FINDING 2014-002 - INTERNAL CONTROLS OVER RECEIPTS

We noted several deficiencies in the internal control system of the School Corporation related to receipts.

1. **Lack of Segregation of Duties:** The School Corporation has not separated incompatible activities related to receipts. The Treasurer handles all of the activities for receipts related to authorization, recording, custody, and comparison. The failure to establish these controls could enable material misstatements or irregularities to remain undetected. Control activities should be in place to reduce the risks of errors in financial reporting.
2. **Monitoring of Controls:** An evaluation of the School Corporation's system of internal control has not been conducted. The failure to monitor the internal control system places the School Corporation at risk that controls may not be either designed properly or operating effectively to provide reasonable assurance that controls will prevent, or detect and correct, material misstatements in a timely manner. Additionally, the School Corporation has no process to identify or communicate corrective actions to improve controls. Effective internal controls over financial reporting requires the School Corporation to monitor and assess the quality of the system of internal control.

Governmental units should have internal controls in effect which provide reasonable assurance regarding the reliability of financial information and records, effectiveness and efficiency of operations, proper execution of management's objectives, and compliance with laws and regulations. Among other things, segregation of duties, safeguarding controls over cash and all other assets, and all forms of information processing are necessary for proper internal control.

Controls over the receipting, disbursing, recording, and accounting for the financial activities are necessary to avoid substantial risk of invalid transactions, inaccurate records and financial statements and incorrect decision making. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

FINDING 2014-003 - INTERNAL CONTROLS OVER TRAVEL DISBURSEMENTS

We noted deficiencies in the internal control system of the School Corporation related to travel disbursements.

Of the 16 travel claims tested, four were not signed by the Treasurer as required by the School Corporation's control procedures. An evaluation of the School Corporation's system of internal control has not been conducted. The failure to monitor the internal control system places the School Corporation at risk that controls may not be either designed properly or operating effectively to provide reasonable assurance that controls will prevent, or detect and correct, misstatements in a timely manner. Additionally, the School Corporation has no process to identify or communicate corrective actions to improve controls. Effective internal controls over financial reporting require the School Corporation to monitor and assess the quality of the system of internal control.

Governmental units should have internal controls in effect which provide reasonable assurance regarding the reliability of financial information and records, effectiveness and efficiency of operations, proper execution of management's objectives, and compliance with laws and regulations. Among other things, segregation of duties, safeguarding controls over cash and all other assets, and all forms of information processing are necessary for proper internal control.

EAST GIBSON SCHOOL CORPORATION
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
(Continued)

Controls over the receipting, disbursing, recording, and accounting for the financial activities are necessary to avoid substantial risk of invalid transactions, inaccurate records and financial statements and incorrect decision making. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

Section III - Federal Award Findings and Questioned Costs

***FINDING 2014-004 - INTERNAL CONTROL OVER CHILD NUTRITION
CLUSTER - LACK OF SEGREGATION OF DUTIES***

Federal Agency: Department of Agriculture
Federal Program: National School Lunch Program and School Breakfast Program
CFDA Numbers: 10.555 and 10.553
Federal Award Number and Year (or Other Identifying Number): FY 12-13 and FY 13-14
Pass-Through Entity: Indiana Department of Education

Management of the School Corporation has not established an effective internal control system, which would include segregation of duties, related to the grant agreement and the following compliance requirements: Allowable Activities, Allowable Costs, and Cash Management.

The School Corporation lacked controls necessary to ensure that allowable costs and activities were necessary, reasonable, and/or allocable, legal under state and local law, and in conformance with federal law, regulations, and grant terms. The School Corporation contracts with a food service management company to operate the National School Lunch Program and the School Breakfast Program. The food service management company pays all the bills and then submits an invoice to the School Corporation for reimbursements that only summarizes the type of expenses. While the claims for reimbursement were reviewed, no detailed information was requested by the School Corporation to be able to determine if the reimbursements were for allowable activities and allowable costs.

The school lunch program must manage net cash resources in such a way that the balance does not exceed 3 months average expenditures for its nonprofit school food service. The School Corporation lacked controls related to the monitoring of net cash resources to ensure the amount does not exceed 3 months' average expenditures.

The failure to establish an effective internal control system places the School Corporation at risk of noncompliance with the grant agreement and the compliance requirements. A lack of segregation of duties within an internal control system could also allow noncompliance with compliance requirements and allow the misuse and mismanagement of federal funds and assets by not having proper oversight, reviews, and approvals over the activities of the program.

An internal control system, including segregation of duties, should be designed and operate effectively to provide reasonable assurance that material noncompliance with the grant agreement or a compliance requirement of a federal program will be prevented, or detected and corrected, on a timely basis. In order to have an effective internal control system, it is important to have proper segregation of duties. This is accomplished by making sure proper oversight, reviews, and approvals take place and to have a separation of functions over certain activities related to the program. The fundamental premise of segregation of duties is that an individual or small group of individuals should not be in a position to initiate, approve, undertake, and review the same activity.

EAST GIBSON SCHOOL CORPORATION
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
(Continued)

OMB Circular A-133, Subpart C, section .300 states in part:

"The auditee shall: . . . (b) Maintain internal control over Federal programs that provides reasonable assurance that the auditee is managing Federal awards in compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a material effect on each of its Federal programs."

The failure to establish internal controls could enable material noncompliance to go undetected. Noncompliance of the grant agreement or the compliance requirements could result in the loss of federal funds to the School Corporation.

We recommended that the School Corporation's management establish controls, including segregation of duties, related to the grant agreement and compliance requirements listed above.

CORRECTIVE ACTION PLAN

AUDITEE CONTACT PERSON: Dr Henry M Brewster
TITLE OF CONTACT PERSON: Superintendent
PHONE NUMBER OF CONTACT PERSON: 812-749-4755

EXPECTED COMPLETION DATE: 9/1/2015

FINDING NO. 2014-001, Preparation of the Schedule of Expenditures of Federal Awards

We will review and adjust the office procedures, and implement internal controls to prevent or detect and correct, errors on the Schedule of Expenditure of Federal Awards(SEFA) to the best of our manpower abilities. The School Corporation will strive to have internal controls in effect which provide reasonable assurance regarding the reliability of financial information and records. We will look at segregation of duties to improve our internal control effectiveness and efficiency of operations, proper, execution of management's objectives compliance with laws and regulations.

FINDING NO. 2014-002, Internal Controls Over Receipts

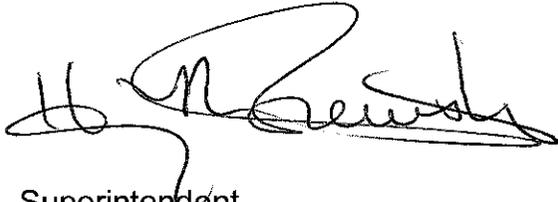

We will look at segregation of duties to improve our internal control effectiveness and efficiency. The receipts will be reviewed and compared to the revenue of the Bank Reconciliation each month by the Superintendent.

FINDING NO. 2014-003, Internal Controls Over Travel Disbursements

We will review and adjust the office procedures, and implement internal controls to prevent or detect and correct, errors to the best of our manpower abilities. We have already thrown out the old travel forms that did not have the signature information on the back. Also, The Corporation Travel Policy will be developed and implemented during the 2015-16 school year.

FINDING NO. 2014-004, Internal Control Over Child Nutrition Cluster--Lack of Segregation of Duties

Aramark will be providing a more detailed invoice so we can distribute the expense to better represent the reliability of financial information. Ginger will monitor the invoices and sign off on them. These changes should better follow compliance requirements.

A handwritten signature in black ink, appearing to read "H. M. [unclear]", written in a cursive style.

Superintendent
