Adoption of Nov. 20, 2019 Meeting Minutes

- Fritz moves to adopt.
- Seconded
- All in favor, none opposed.

Office Update

- Fully remote in March
- Came back in July for 1 week in, 1 week out
- Back to fully remote in August
- Open for appointments
- Elections Division is the main focus of the SOS office right now.

Division and System Update

- Working on a backup for Plates On Demand
 - Spoken to 4 or 5 vendors for options
 - Best option would be to move the server to an offsite backup server
- ADSD website has recommendations about how to handle title delivery delay issues

Enforcement Update

- Upcoming multi-agency trainings
 - Three trainings will be hosted virtually and will include the following agencies:
 - Secretary of State
 - Department of Revenue
 - Department of Financial Institutions
 - Attorney General
- As of July 1, 2020, the office will be utilizing the Office of Administrative Law Proceedings for hearing and administrative review requests on actions taken by the Division.

ADSD Discussion Items

- MVAB open spot
 - Taking recommendations for this new member, must be from one of the following industries:
 - Watercraft
 - Salvage
 - Auction
- 2020 legislative changes
 - Specific details can be found in our Summer 2020 Dealer Digest
 - Continued changes to the manufactured home dealers
 - Dealer plate requirement update
 - Formalized in statute the requirement where one of our examiners wants to come out to your location without an investigation, the examiner will give 3 days' notice.
 - Clarified some definitions
- 2021 legislative plans
 - July 1, 2021 – taking over administration of Transport Operator Plates

Member Open Discussion

- Pushing towards fully digital records
 - POA and odometer disclosure are the only documents still required to be original hand-signed.

Closure

- Motion to close
- Seconded
- All in favor, none opposed
