RECEIVED
2006 MAY 16 AM 11:07
INDIANA ELECTIONS DIVISION

MAY 15, 2006

#12 - At the beginning each M100 was not set to start printing zero tapes. When called started coming in at 5 minutes after five, the Election System & Software Tech and myself split precincts and went in a big **rush** to each precinct & set machines. Everything then went OK. In reading problems else where I have a Ivotronic at each precinct. No extra's. If we would of had any to go down I would be in a pickle. Thank God all the Ivotronics were OK.

Our biggest thing in Vermillion County was the GPS Mapping had caught several (at least over 10) that had always voted at a precinct for many years and it was not their right precinct. Inspectors would call me and I would let them know where to send them to vote. I had one Gentleman that was very upset with me and cussed me out.

#18 - Provisional Ballots

We had five (5). Three were not registered and two were at the wrong precinct. The two at the wrong precinct had moved.

I have sent registration forms to each so they could get registered and address corrected.

Martha A Padish, Clerk
Vermillion County
