Eligible Dependents

“Dependent” means:

- (b) Any children, step-children, foster children, legally adopted children of the employee or spouse, or children who reside in the employee’s home:
 - i) for whom the employee or spouse has been:
 - (I) appointed legal guardian or
 - (II) awarded legal custody by a court, or
 - ii.) in an I.C. 31-19-7-1 approved placement for purposes of adoption, under the age of twenty-six (26).

 - (II) resides with the employee at least six (6) months of the year, and

such child’s eligibility for coverage shall continue if satisfactory evidence of such disability and dependency is received by Contractor in accordance with Contractor’s disabled dependent certification and recertification procedures. Eligibility for coverage of the “Dependent” will continue until the employee discontinues his coverage or the disability no longer exists. A Dependent child of the employee who attained age 19 while covered under another Health Care policy and met the disability criteria specified above, is an eligible Dependent for enrollment so long as no break in Coverage longer than sixty-three (63) days has occurred immediately prior to enrollment.
