

Indiana State University

Preferred Partners Program

Through the Preferred Partnership with Indiana State University, state employees receive 15 percent off the in-state tuition rate (regardless of your state of residence) for all academic programs including online, on-campus, undergraduate, and graduate programs. Additionally, employees receive expedited admissions processing and transfer credit review, as well as a waiver of the enrollment deposit. Indiana State offers 100+ fully online degree and certificate programs. Apply today!

How to obtain your Preferred Partner discount:

- Visit <https://indianastate.edu/> to APPLY!
- Within the application, you will be asked if you are an employee of a Preferred Partner. Click the dropdown list and select STATE OF INDIANA.
- After you have applied, employment verification will be obtained from the State of Indiana and your 15% discount will be confirmed.
- You will remain eligible for the discounted tuition rate, so long as you remain employed by the State of Indiana.

Are you already enrolled at Indiana State University?

- Email ISU-PreferredPartners@indstate.edu to initiate your discount!
- Once employment verification is received, your discount will be initiated and will remain active so long as you maintain employment with the State of Indiana.

Note: The Preferred Partner tuition discount cannot be combined with other institutional scholarships or discounts and cannot be duplicated based on employment or affiliation with multiple Preferred Partner organizations. This partnership does not consider an ISU student intern placed within State government offices an employee of the State of Indiana, and therefore they are not eligible for the tuition discount.
