### SECOND INJURY FUND REPORT

# By the Chair

# **AND ASSESSMENT FOR 2016**

**December 23, 2015** 

As we begin 2016, I am happy to report the Second Injury Fund will end the year with \$1,598,622 in the bank. Less than \$10,000 was taken from the Prudent Reserve in 2015. For the first time in my 10 year tenure, our collections exceeded the assessment, if ever so slightly. This is a good sign for the business climate in Indiana, as it means more businesses now exist and are paying into the Fund than in 2013. Our assessment had been \$7,863,857 and we collected \$7,880,341. \$6,681,691 was paid out in benefits and expenses.

The assessment for 2016 is significantly less than that of 2015. With direct written premiums up, and losses paid by both self-insureds and carriers down, all should be writing smaller (hopefully via e-checks) amounts this year.

Included with this report are the Certification forms used to calculate individual assessment obligations. These forms use numbers provided by the ICRB as well as self-insured factors taken from new and renewal applications for 2014. Historical data regarding Fund payouts can be found on the last page.

We expect indemnity payments from the Fund to increase slightly in 2016 as new injured workers are added to the rolls at wages greater than those of the deceased recipients. Twenty-one recipients died in 2015 and eight were added. However, the cost of prosthetics in 2015 was once again the wild card. The variations in the years are not as pronounced as they used to be, with the increased cost of newer artificial members. As always, we continue to replace limbs with the "Chevy" not "Cadillac" model. With all of the uncertainty, our prudent reserve for prosthetics is a total of the three highest months in 2015.

A few years ago, the Board began tracking the quarterly time commitment of each staff member who works on SIF issues, as well as other factors such as IT expenses, postage and printing. The administrative expense assessed in 2016 will remain the same as in 2015.

Payments will be due on January 29<sup>th</sup> and June 30<sup>th</sup>, if you choose to use the installment option. This option is no longer available if your total assessment is less than \$1,000. No reminder will be sent before the June due date. We also encourage you to take advantage of the State's new electronic payment system, which you can access at http://www.in.gov/wcb. This will be mandatory beginning in 2017.

Please call Mary Taivalkoski or me if you have questions or comments regarding the assessment, report, or the Fund.

Wishing you good health, happiness, peace, and prosperity in the 2016.

Yours very truly,

**Linda Peterson Hamilton**
