

2018 Fall Living Covers Planted after Corn

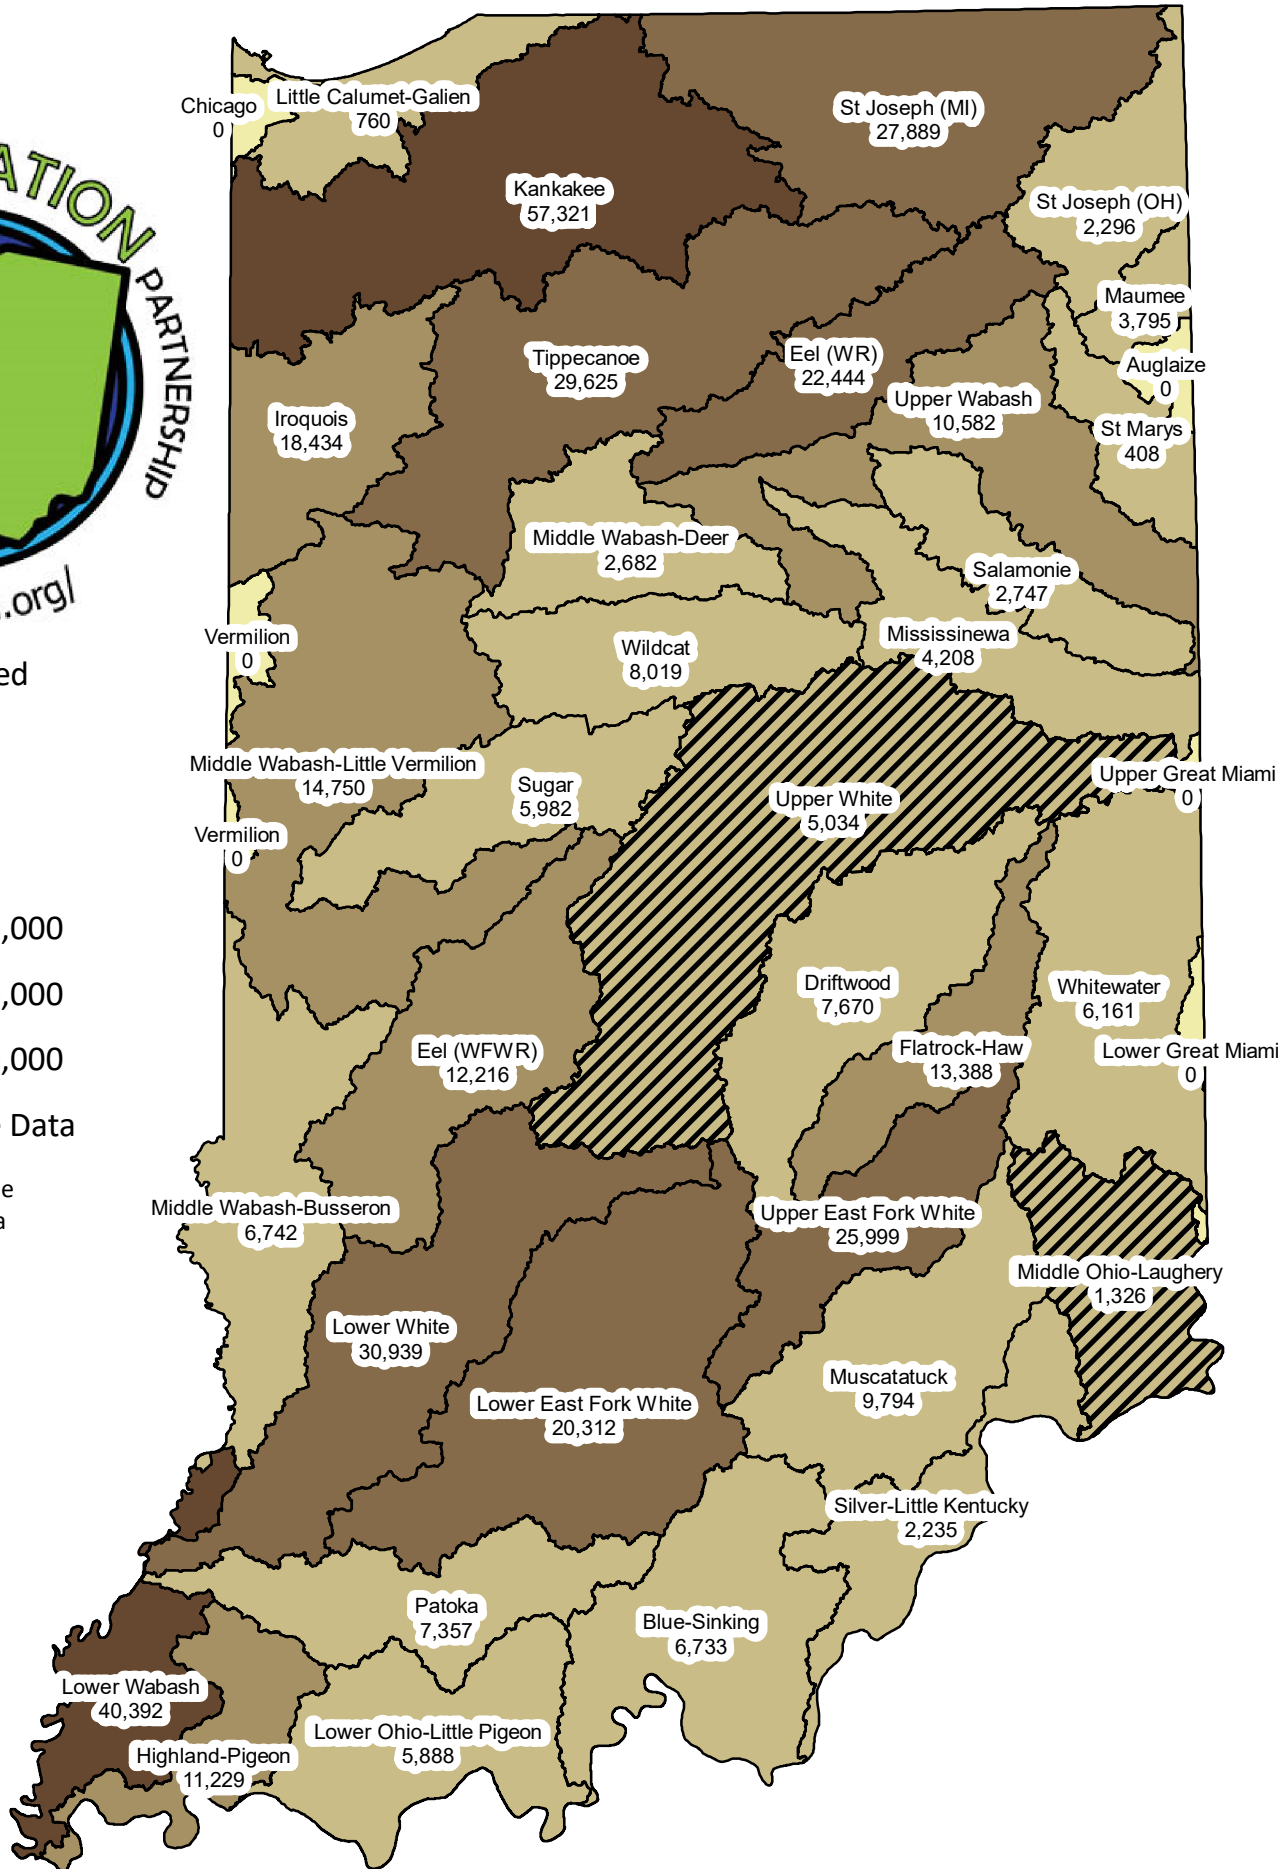

Living Covers Planted

Acres

Acres are based on the 2018 NASS Cropland Data Layers

*Windshield surveys were conducted between November 2018 and April 2019, and therefore may not reflect cover crops or cereal grains that emerged beyond said timeframe.
Hamilton and Ohio county data are not included at this time, but will be updated in time.
Marion County does not conduct Tillage and Cover Crop Transects due to heavy urbanization.
