## Relocated Wabash License Branch to Open March 15

**INDIANAPOLIS**—Kent Abernathy, Commissioner of the Indiana Bureau of Motor Vehicles (BMV), announced today the relocation of the Wabash license branch. The new license branch, located at 1679 N. Cass St., Wabash, IN, will open on Tuesday, March 15.

The new license branch location is easily identifiable by the highway-facing BMV seal on the building and now allows for more convenient and available customer parking. This new location also has Automated Testing Terminals that offer a more efficient way of taking the Knowledge Test.

The current Wabash license branch location of 45 E. Market St. will remain open for all normal hours until the close of business on Saturday, March 12.
