FOR IMMEDIATE RELEASE

September 27, 2023

BMV New Branch Hours Reminder

INDIANAPOLIS— The Indiana Bureau of Motor Vehicles reminds Hoosiers that beginning Monday, October 2, BMV branches will have new hours. This change enables the BMV to provide service six days a week in many areas across the state. The shift in operating hours is in response to increasing customer preference to use out of branch transaction options as well as to provide BMV team members opportunity to participate in critical on the job training to ensure efficient and accurate transaction processing.

Please visit [BMV: New Branch Hours \(in.gov\)](#) to plan your visits on or after October 2, 2023. This page provides a list by location with new operating hours.

Customers can complete an online transaction or visit a BMV Connect kiosk 24/7. To login to [myBMV.com](#) or find the nearest kiosk, please visit [IN.gov/BMV](#).
