BMV Announces North Meridian Branch Closure

INDIANAPOLIS—Indiana Bureau of Motor Vehicles (BMV) Commissioner Peter L. Lacy announced today he approved the plan to close the Indianapolis North Meridian branch located at 9245 N. Meridian St. The last day of operation for North Meridian is Saturday, Feb. 26, 2022.

“The agency is continuing to adapt to changes in customer behavior, investing in modern customer friendly locations, as well as expanding kiosks and online transaction offerings,” said Commissioner Lacy. “The North Meridian branch has served its community well and we are grateful the team members currently working out of this location will continue their great work in surrounding branches.”

Area residents will continue to be served by the nearby Michigan Road, Indianapolis Midtown, and Carmel branches. A BMV Connect kiosk is located in all these branches, as well as in the Kroger located on East 86th Street. BMV Connect allows Hoosiers to complete over a dozen key BMV transactions 24-hours a day, seven days a week.

In late first quarter 2022, the BMV is planning to move the current branch on Michigan Road to a new, larger location with a BMV Connect center and more than two dozen customer service stations.
