## 1. INTRODUCTION

This Title VI Implementation Plan is a part of the Randolph County continual and ongoing effort to proactively meet and exceed the minimum compliance requirements established under Title VI of the Civil Rights Act of 1964 (Title VI), 49 CFR § 26, and the related anti-discrimination statutes and regulations. With this Implementation Plan, Randolph County Government (also referred to in this document as “County”) seeks to provide continued transparency, clarity, and technical guidance for internal and external constituents regarding its Title VI program.

Randolph County values everyone’s civil rights and wishes to provide equal opportunity and equitable service for the citizens of this state. As a recipient of federal funds, the County conforms to Title VI and all related statutes, regulations, and directives, which provide that no person shall be excluded from participation in, denied benefits of, or subjected to discrimination under any program or activity receiving federal financial assistance from the County on the grounds of race, color, age, sex, sexual orientation, gender identity, disability, national origin, religion, income status or limited English proficiency. Randolph County further assures every effort will be made to ensure nondiscrimination in all its programs and activities, regardless of whether those programs and activities are federally funded.

It is the policy of Randolph County to comply with Title VI of the Civil Rights Act of 1964; Title VII of the Civil Rights Act of 1964, 42 U.S.C. § 2000e; Age Discrimination Act of 1975, 42 U.S.C. §§ 6101-6107; Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, 42 U.S.C. §§ 4601-4655; 1973 Federal Aid Highway Act, 23 U.S.C. § 324; Title IX of the Education Amendments of 1972, Pub. L. No. 92-318, 86 Stat. 235; Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. §§ 701 *et seq.*; Civil Rights Restoration Act of 1987, Pub. L. No. 100-259, 102 Stat. 28; Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101 *et seq.*; Title VIII of the Civil Rights Act 1968, 42 U.S.C. §§ 3601-3631; Exec. Order No. 12898, 59 Fed. Reg. 7629 (1994) (Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations); and Exec. Order No. 13166, 65 Fed. Reg. 50121 (2000) (Improving Access to Services for Persons with Limited English Proficiency).

The Civil Rights Restoration Act of 1987, Pub. L. No. 100-259, 102 Stat. 28, broadened the scope of Title VI coverage by expanding the definition of terms “programs or activities” to include all programs or activities of federal-aid recipients, subrecipients and contractors/consultants, regardless of whether such programs and activities are federally assisted.

Pursuant to the requirements of Section 504 of the Rehabilitation Act of 1973, Pub. L. No. 93-112, 87 Stat. 355, Randolph County hereby gives assurance that no qualified disabled person shall, solely by reason of disability, be excluded from participation in, be denied the benefits of or otherwise be subjected to discrimination, including discrimination in employment, under any program or activity that receives or benefits from this federal financial assistance.

Randolph County also assures that every effort will be made to prevent discrimination through the impacts of its programs, policies and activities on minority and low-income populations. In addition, the County will take reasonable steps to provide meaningful access to services for persons with limited English proficiency (LEP). The County will, where necessary and appropriate, revise, update and incorporate nondiscrimination requirements into appropriate manuals, directives, and regulations.

Whenever Randolph County distributes federal-aid funds to a second tier subrecipient, the County will include Title VI language in all written agreements.

The following individual has been identified as Randolph County Title VI Coordinator and is responsible for initiating and monitoring Title VI activities, preparing reports, and performing other responsibilities, as required by 23 C.F.R. § 200 and 49 C.F.R. § 21.

The following types of data are currently being collected by the County:

- Complaints received, logged, processed, and investigated by Randolph County
- Environmental Justice analysis and reports

Any person with a disability may request to file his or her complaint using an alternative format. Randolph County does not require a Complainant to use the County's complaint form when submitting his or her complaint. Direct all complaints of discrimination pursuant to Title VI to:

## 7. ENVIRONMENTAL JUSTICE

In accordance with Title VI of the Civil Rights Act of 1964, each Federal agency shall ensure that all programs or activities receiving Federal financial assistance that affect human health or the environment do not directly, or through other arrangements, use criteria, methods, or practices that discriminate based on race, color, or national origin. Part of Title VI reads, "No person in the United States shall, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance."

The three fundamental environmental justice (EJ) principles are:

- To avoid, minimize, or mitigate disproportionately high and adverse human health and environmental effects, including social and economic effects, on minority populations and low-income populations.
- To ensure the full and fair participation by all potentially affected communities in the transportation decision-making process; and
- To prevent the denial of, reduction in, or significant delay in the receipt of benefits by minority populations and low-income populations.

Randolph County is committed to these three environmental justice principles in all work that the County performs.

## 8. LIMITED ENGLISH PROFICIENCY (LEP)

On August 11, 2000, the President signed an executive order, Executive Order 13166: Improving Access to Service for Persons with Limited English Proficiency (LEP), to clarify Title VI of the Civil Rights Act of 1964. It has as its purpose, to ensure meaningful access to programs and services to otherwise eligible persons who are not proficient in the English language. In addition, The US Department of Transportation published Policy Guidance Concerning Recipients' responsibilities to Limited English Proficient Person in the December 14, 2005, Federal Register. This guidance outlines the following four factors that the County uses to access the LEP populations in Randolph County.

1. The number and proportion of LEP persons eligible to be served or likely to be encountered by Randolph County Government.
2. The frequency with which LEP individuals come into contact with the program, activity or service.
3. The nature and importance of the program, activity, or service provided by the program.
4. The resources available to the County and costs.

In addition, Randolph County has not implemented the safe harbor provision whereby it identifies and translate all vital documents into any language where the 5% threshold is met whereby 5% or more of the population in the county both:

- Does not speak English very well AND
- Primarily speaks another specific language as identified in current census data or other public records.

---

### SUMMARY OF THE FOUR FACTOR ANALYSIS

#### **Factor 1:**

The number and proportion of LEP persons eligible to be served or likely to be encountered by the County can only be estimated until the actual number of persons who can speak English less than "very well" are documented as needing assistance by County Employees. With this Title VI Plan being in early development stages and considered a document that may need regular updates, US Census Bureau information is being used at this time. The total population is provided below to show general distribution of race and ethnicity in the community. The estimated number of persons that may not speak English "very well" is following in the US Census Bureau 2020 American Community Survey.

The U.S. Census Bureau provides statistics from 2020 for Randolph County as follows:

All Topics		Randolph County, Indiana

According to the census numbers above there may be very few individuals who live in Randolph County that may be considered LEP. Based on actual contact between County staff and the community there have been very few requests from anyone in the service area asking the County to provide language translation services. Therefore, the LEP population is probably even less than the estimate shown above.

**Factor 2: The frequency with which LEP individuals come into contact with the program, activity or service:**

Due to the infrequent requests for translation services, there appears to be a minimal need for translation services from the County. This may be attributed to the high percentage of younger people who are available as family members for translation services.

**Factor 3: The nature and importance of the program, activity, or service provided by the program:**

If at any time a LEP individual requests translation services that are considered important such that denial or delay of access or services or information could have serious or even life-threatening implications, the County will provide, upon request, services to assist the LEP population including translation of vital County documents and interpretation services.

**Factor 4: The resources available to the County and costs:**

Randolph County Government offers interpretation services on an as needed basis if requested forty-eight (48) hours in advance. The service is provided free of charge.

---

SUMMARY OF LEP ACCOMMODATION PLAN

- Randolph County strives to serve its population to the best of its ability and will provide upon request, services to assist the LEP population including translation of vital documents and interpretation services deemed necessary to provide meaningful access to County services.
- A U.S. Census Bureau I Speak card is available as part of this document. This card allows LEP individuals to communicate their preferred language to County Employees whereas County Employees may then access a translation service as determined by the County.
- Randolph County utilizes a voluntary public involvement survey to collect information regarding persons affected by proposed projects. The survey permits respondents to remain anonymous, while voluntarily answering questions regarding their gender, ethnicity, race, age, sex, disability status, and household income. Once the survey data has been collected, it will be reviewed and then the survey will be placed in a file for future reference. In the case enough surveys are collected over time to show a significant increase in LEP populations, the County may consider changes to their LEP policy. Completed surveys shall be retained for a period of three years from the date of the meeting and/or completion of the related project, if applicable.
- The County reviews written Title VI complaints and ensures every effort is made to resolve complaints informally at the local or regional level and review and update the County's Title VI plan and procedures as required.
- The County will provide training on the requirements for providing meaningful access to services for LEP persons and new employees will receive the same training.

## 9. TITLE VI TRAINING

At the time of hire and as needed: Title VI policy education and literature will be available to all Randolph County employees. New employees will be provided with education at new employee orientation. Employees will be provided with updated education and literature as the County deems necessary.

Employees will be expected to follow the Title VI policy and the guidelines set forth. In addition, County employees should make every effort to alleviate any barriers to service or public use that would restrict public access or usage, take prompt and reasonable action to avoid or minimize discrimination incidences and immediately notify the Title VI Coordinator, in writing, of any questions, complaints or allegations of discrimination.

## 10. PUBLIC INVOLVEMENT

---

### STATISTICAL INFORMATION

Pursuant to 23 CFR 200.9(b) (4), Randolph County shall collect and analyze statistical information regarding demographics to assist in monitoring and ensuring nondiscrimination in all its programs and activities.

The County shall utilize a voluntary Title VI public involvement survey that will be available at all public hearings and meetings. The survey will allow respondents to remain anonymous. The survey will ask questions regarding the respondent's gender, ethnicity, race, age, income and if they are disabled.

Completed surveys will be retained by the Title VI Coordinator for three (3) years.

The Title VI Coordinator will also collect and report statistical data for the past three (3) years as it relates to the number of federally funded projects, complaints filed and the results of those complaints, any requests for language services, demographic statistics, and department compliance reviews.

---

Randolph County is committed to ensuring that community involvement and outreach is done in a respectful and appropriate manner that will allow for diverse involvement. Public meetings, programs and activities will provide equitable opportunities for participation.

Randolph County hosts meetings monthly and those meetings are open to the public. Any meetings that are open to the public are published on the County's website's main page. All

Randolph County Government's public meetings are held in locations accessible to individuals with disabilities.
