Application Review Criteria **Changes for FY18**

Application deadline for this Region is March 1, 2017 4:30 PM (EST). After receipt of completed application, the Regional Arts Partner will review materials to ensure that all required information was submitted, and the application is eligible for review. If any discrepancies are found (such as incomplete answers or uploads), the application may be ineligible for review.

Each eligible application will be reviewed and scored by a conflict-free panel of professional peers. The panel review will take place in the spring of 2017 and will be open to applicants and the public for observation and may be recorded (although audio quality is not guaranteed.) Applicants are invited as observers only and cannot lobby or address the panel on behalf of their applications before, during or after the panel meeting. The panel location and date will be posted on the RAP website and/or IAC website.

Applications will be scored on a 100-point scale. The scores will be included as part of a funding formula to assist with the allocation of grant awards. Applications that have a total score of 75 and over will be eligible for funding. Evaluation criteria and total points possible are as follows:

- **Community Engagement (40 points):** The extent to which the applicant organization can demonstrate fair access and diversity through an active, two-way and ongoing relationship between the applicant and community in planning, activity, participation and evaluation of arts programming.
- **Project Management (30 points):** The extent to which the applicant organization can demonstrate the ability to successfully design and implement the project through effective planning, financial management, staffing and evaluation.
- **Artistic Quality (30 points):** The extent to which an artistic activity demonstrates quality through one or more of the following considerations: artistic intent, inquiry, competency, authenticity, process or impact.

Grant Award Determination

Following the panel meeting, a Commission-approved funding formula is applied that takes into consideration the panel's ratings, number of eligible applicants, and available funds to determine specific grant recommendations. The Indiana Arts Commission will review and ratify the funding recommendations at its June quarterly business meeting. Commission meetings are open to the public for observation and may be recorded. All applicants will be notified after the Commission meeting.
