Your Eligibility for Application Continued...

- Financial/Official form requirements
 - Grant recipients are required to sign and complete a grant agreement, Vendor Form, and Form E-1 before payment is issued.
 - The grant agreement is the official contract with the IAC and must be [procedurally signed and approved](#) by multiple state entities after receipt from the grantee. Read this document carefully as each grantee will be responsible for meeting all the terms and conditions it contains – including its references to these guidelines.
 - The [Vendor Form](#) and [Entity Annual Report \(Form E-1\)](#) are required by the State of Indiana for payment to a grantee. Inaccurate or incomplete forms are shredded and may hold up or forfeit grant payments.
- IAC Reporting requirements
 - **Form E-1:** Nongovernmental organizations (entities and individuals) receiving financial assistance from governmental sources in the form of grants, subsidies or contributions, are required to file an [Entity Annual Report \(Form E-1\)](#) with the State Board of Accounts. Receipt of the funding referred to above subjects you to state audit requirements discussed in IC 5-11-1-9. The information you report on the Entity Annual Report enables us to assist you in correctly determining your auditing and reporting requirements. E-1 Forms should be submitted to the IAC with your signed grant agreement. The IAC will then forward the form to the State Board of Accounts.
 - **Two State Legislator Letters:** Grantees are required to write at least two letters to their [local, state legislators](#) to thank them for making these funds available. The letter should raise awareness of the project that was funded in your community; the first copy is due with your signed grant agreement (sometime in July/August depending on your submission of the agreement), the second is due with your final report on May 14, 2010.
 - **Project modification (if change is necessary):** During the grant period and PRIOR TO MAKING A CHANGE TO THE PROJECT, grantees must notify the IAC of any changes that may affect the funded project via the Project Modification form in the [IAC online grants system](#). A change would include a budget variance of 10 percent or more in any line item, or 10 percent overall, or any changes from your original proposal regarding personnel, project dates (timeline), or scope of activities, etc. IAC staff will review the changes before giving written approval. Grantees may be required to return all or a portion of the grant money to the IAC if this procedure is not followed.
 - **Final report:** All grantees must submit a completed final grant report and a copy of the 2nd letter that was sent to the legislator by May 14, 2010. The final report is accessible through the [IAC online grants system](#).

Your Grant Application

The due date for your completed application is February 2, 2009. The submission of your application is your indication that you have read, understand, and will complete and comply with the requirements listed for this grant program – from application to final reporting if applicable.

How to apply:

- Open your Internet browser and navigate to www.in.gov/arts
 - Click “For Applicants” then click “Grants Programs and Guidelines”
 - Click the appropriate grant program link
 - If this is the first time for an application to the IAC, an online profile will need to be completed. If not, then you will enter in your username and password and proceed to the application.
- Answer each section clearly and completely. Include as much information as possible, checking for typos, math and grammatical errors. Type directly into the text boxes provided. DO NOT copy and paste narrative text from another program into the spaces provided. This can create formatting problems with your text and may create unnecessary typos.
- If you wish for staff to review a draft of your application, it must be received at the IAC no later than **January 16, 2009**. [Click here to view an example of a well-prepared application](#). This is intended only as a guide and imitation does NOT ensure a grant. Duplication will result in ineligibility.
- Upload any artistic documentation noted in the requirements. DVDs must be received at the IAC by 4:30 PM (EDT) on February 6, 2009.
- It is strongly recommended that you begin your online application before the due date to handle any unforeseen technical problems that may prevent a timely application. Late applications will NOT be accepted.
- Once you have submitted your application you WILL receive an email to that effect. If you do not receive an email, your application was NOT submitted.
- **Only submit the electronic copy, a “physical” copy is no longer required. Your online submission indicates your agreement with, and adherence to, this entire document, including its embedded website links.**

Application Review Process

- After receipt of completed application, IAC staff will review your materials to ensure that all required information was submitted. If any discrepancies are found, your application will be ineligible for review. The IAC will dispose of ineligible applications.
- Eligible applications will be reviewed and assessed by a panel of professional peers. The panel meeting dates and times will be posted [here](#). The meetings will be open to the public for observation and may be recorded. **Applicants are encouraged to attend.** Applicants cannot lobby the panel on behalf of their applications before, during, or after the panel meetings.
 - The following [criteria](#) will be used in assessment of each application:
 - **25 points** – Quality of artist’s work
 - **40 points** – Impact of the proposal on the artist’s career development and public benefit that the artist provides through active community involvement
 - **35 points** – Feasibility of project completion
- Following the panel meeting, IAC staff will use a Commission-approved funding formula that takes into consideration the panel's ratings and available funds to determine specific funding recommendations. The Indiana Arts Commission will review and ratify the funding recommendations at its June business meeting.
 - Reconsideration Policy and Appeal Process: The reconsideration process is designed to review the method and fairness of the IAC decision concerning a grant application. This process is not intended to impose a different panel’s choices/judgment over the original panel’s decision. Dissatisfaction with the denial of a grant or the amount of an award is not sufficient reason for an appeal. [Click here for more information.](#)

After the Paneling Process

All applicants will be notified by e-mail of grant decisions after the Commission meets in June and approves the grants. If funded, you will receive electronic copies of your award letter, grant agreement, E-1 Form, Vendor Form and other pertinent materials. These materials will need to be thoroughly reviewed, printed out, signed and returned to the Indiana Arts Commission within ten business days. **Once the IAC receives your completed and signed forms, the State contract process will start. It can take up to 90 days to receive payment after the IAC begins this process.** For more information about required forms, please visit our [website](#).

[Contact the IAC if you have any questions.](#)
