

## CONSENT TO TRANSFER

State Form 49930 (R3/5-09)

**INSTRUCTIONS:** 1. Please type or print the necessary information.

2. You must fully complete the consent to transfer. A consent must be fully completed at the time of the execution. It is not permissible to have a Consent signed in blank and completed thereafter as to dates or other information necessary to complete the Consent. If this is not fully completed at the time of execution, you may be subject to further legal action, including the revocation of your permit or criminal charges.
3. Although a validly executed Commission Consent to Transfer may evidence the Parties' intent to sell a permit pursuant to the terms of a contract, it does not give rise to a remedy before the Commission. This type of dispute must be resolved before the appropriate trial court in the State of Indiana.
4. In the case of individuals or partners, in the event of death or divorce, please forward the appropriate court documents that address the disposition of the alcoholic beverage permit to the Alcohol and Tobacco Commission.
