# THE GOALS OF THE PRESENTATION ARE:

1. List three components of the C.O.P.E Program.
2. Describe three functions of C.O.P.E
3. Recall the goal of the C.O.P.E. Program.
4. Distinguish the various roles of the C.O.P.E team members.
5. Identify three other harm & risk reduction programs.

# THE COMMUNITY OPIOID PREVENTION EFFORTS (C.O.P.E.) COALITION...

- ◆ The members aim to reduce opioid abuse and the number of overdose fatalities in Hamilton County by including:
  - ◆ Law enforcement
  - ◆ Fire/EMS
  - ◆ Treatment partnerships
  - ◆ Recovery partnerships

## WHAT IS C.O.P.E...

- ◆ C.O.P.E. follows the Quick Response Team (QRT) diversion model where the QRT serves the community by providing a timely intervention.
- ◆ The QRT conducts a home visit with the patient within 72 hours of release from medical care.

# WHAT IS GOAL OF THE PROGRAM

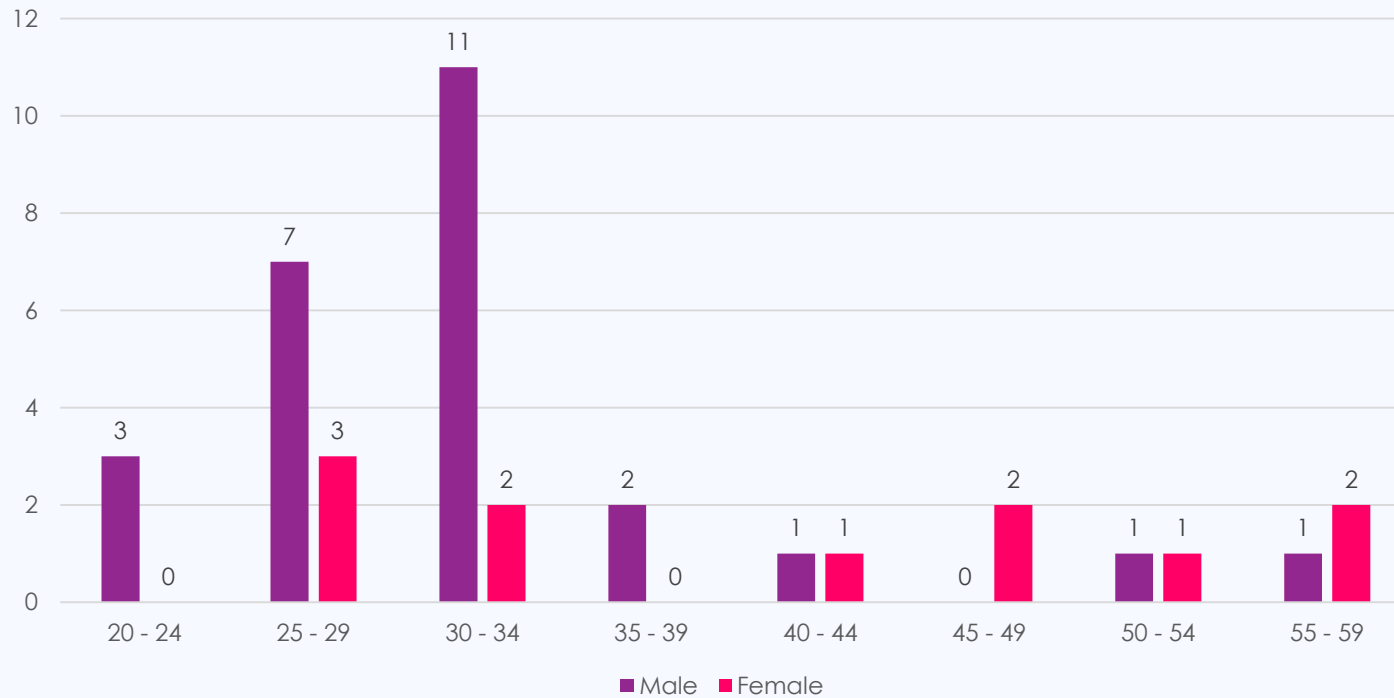

- ◆ The goal of the program is to get the overdose survivor into treatment, reduce barriers to treatment and follow up with treatment providers to monitor progress.
