Reinstatement Requirements

Included in this section are reinstatement requirements, if applicable. This section summarizes information contained within the respective sections of the Official Driver Record to assist customers with determining BMV and court requirements for reinstatement of driving privileges, or the ability to apply for driving privileges. Reinstatement requirements must be met before driving privileges can be reinstated or the individual is able to apply for a driver's license or learner's permit. This section identifies:

- * when the individual is eligible for reinstatement;
- * pending or active BMV suspension information for failure to provide proof of financial responsibility (insurance);
- * if current proof of financial responsibility (SR50) or proof of future financial responsibility (SR22) is needed (and the date when the requirement for proof of future financial responsibility expires) to be submitted electronically directly from your insurance provider;
- * the total insurance/reinstatement fees due, which must be paid by visiting www.myBMV.com, by phone at (888) 692-6841, or by mail;
- * a listing of pending or active BMV suspensions;
- * a listing of pending or active court ordered suspensions.

In addition to the above requirements, applicants may be required to successfully pass a written or driving test.

Suspension Information

This section lists all suspensions that have been served or are currently effective for the given individual. An asterisk (*) next to the suspension description denotes active suspensions.

The suspension information includes a unique suspension identifier ("Susp ID"), type of action ("Type"), description of the suspension ("Suspension Reason") including the case number, court and court phone number associated with the suspension, the date the suspension started ("Suspension Effective Date"), the date the suspension ends or ended ("Suspension Expiration Date"), the date the suspension notice was mailed to the individual ("Mail Date"), the unique address to which the suspension notice was mailed ("Address ID"), and any fees associated with that suspension which are due to the BMV ("Fee Due"). Any outstanding reinstatement requirements are bolded in this section, such as future expiration dates and associated reinstatement/insurance fees. Note: Suspensions with an expiration date of "Indefinite" denote suspensions which require reinstatement notification from the associated court or are life-long suspensions.

Common suspensions include:

Failure to File Insurance - Bureau: This suspension is for failure to provide proof of financial responsibility (insurance) to the BMV following a conviction for a traffic offense. If there was financial responsibility in effect at the time of the citation, the vehicle owner's or driver's insurance provider must electronically send proof of financial responsibility on behalf of the driver to the BMV for the vehicle and citation date in question. If the driver cannot provide proof of financial responsibility for the date and vehicle requested by the BMV, the driver will be subject to a 90-day suspension, or one year suspension for a repeat violation within a three year period, a \$150, \$225 or \$300 fee, and be required to submit proof of future financial responsibility (SR22) for three years after the suspension ends prior to reinstatement of driving privileges. If the driver can provide proof of financial responsibility for the date and vehicle requested by the BMV, the suspension and fee will be removed from the driver record.

No Insurance Accident: This suspension is for failure to provide proof of financial responsibility (insurance) to the BMV following an accident. If financial responsibility was in effect at time of the accident, the vehicle owner's or driver's insurance provider must electronically send proof of financial responsibility on behalf of the driver to the BMV for the vehicle and accident date in question. If the driver cannot provide proof of financial responsibility for the date and vehicle requested by the BMV, the driver will be subject to a 90-day suspension, or one year suspension for a repeat violation within a three year period, a \$150, \$225 or \$300 fee, and be required to submit proof of future financial responsibility (SR22) for three years after the suspension ends prior to reinstatement of driving privileges. If the driver can provide proof of financial responsibility for the date and vehicle requested by the BMV, the suspension and fee will be removed from the driver record.

Note: A driver convicted by a court of operating a motor vehicle without financial responsibility cannot end the suspension by submitting proof of financial responsibility (insurance) to the BMV.

Failure to Appear for Driver Safety Program (DSP) - In accordance with Indiana law, the BMV requires a driver who commits two or more traffic offenses resulting in convictions within a 12-month period to complete a BMV-approved DSP. Drivers who are under 18 years of age are required to complete a DSP if, within a 12-month period, they are convicted of two or more traffic offenses, involved in two or more accidents, or a combination of the two. Failure to complete the course within the specified time period will result in the suspension of the individual's driving privileges. The suspension remains effective ("Indefinite") until the BMV is notified of successful completion of a BMV-approved DSP. Once results are received indicating successful completion of a BMV-approved DSP, a four (4) point credit will be applied to the driver record, reducing the total by four (4) points. However, only one four (4) point credit is allowed per three year period although completion of an additional DSP may be required by the BMV. **For a listing and phone numbers of BMV-approved DSP providers, call (317) 232-2827.**

Failure to Pay - The BMV has received notice from a court instructing the BMV to suspend the driving privileges because the driver has failed to pay court costs/fines related to a traffic violation. The suspension remains active ("Indefinite") until the BMV receives notice from the court that the fines have been paid. Call the court at the number listed on the Official Driver Record for information on satisfying the Failure to Pay suspension.

Failure to Appear - A court has instructed the BMV to suspend the driving privileges due to the driver failing to appear in court for a traffic violation. The suspension remains active ("Indefinite") until the BMV receives notice from the court that the driver appeared in court and the case is disposed of. Call the court at the number listed on the Official Driver Record for information on satisfying the Failure to Appear suspension.
