Commission for Higher Education

COMMISSION MEETING

Site

Indiana University
University Center North, Room 127
4201 Grant Line Road
New Albany, IN 47150

Thursday, May 9, 2013

Purpose: Reaching Higher, Achieving More calls for a system of higher education that is Student-Centered, Mission-Driven and Workforce-Aligned. The Indiana Commission for Higher Education’s work will focus on three challenges:

- **Completion:** Students and the state are not well served by an empty promise of college access without completion.
- **Productivity:** A more productive higher education system will increase student success and safeguard college affordability.
- **Quality:** Increasing college completion and productivity must not come at the expense of academic quality.
