

INDIANA STATE UNIVERSITY
CAMPUS MASTER PLAN

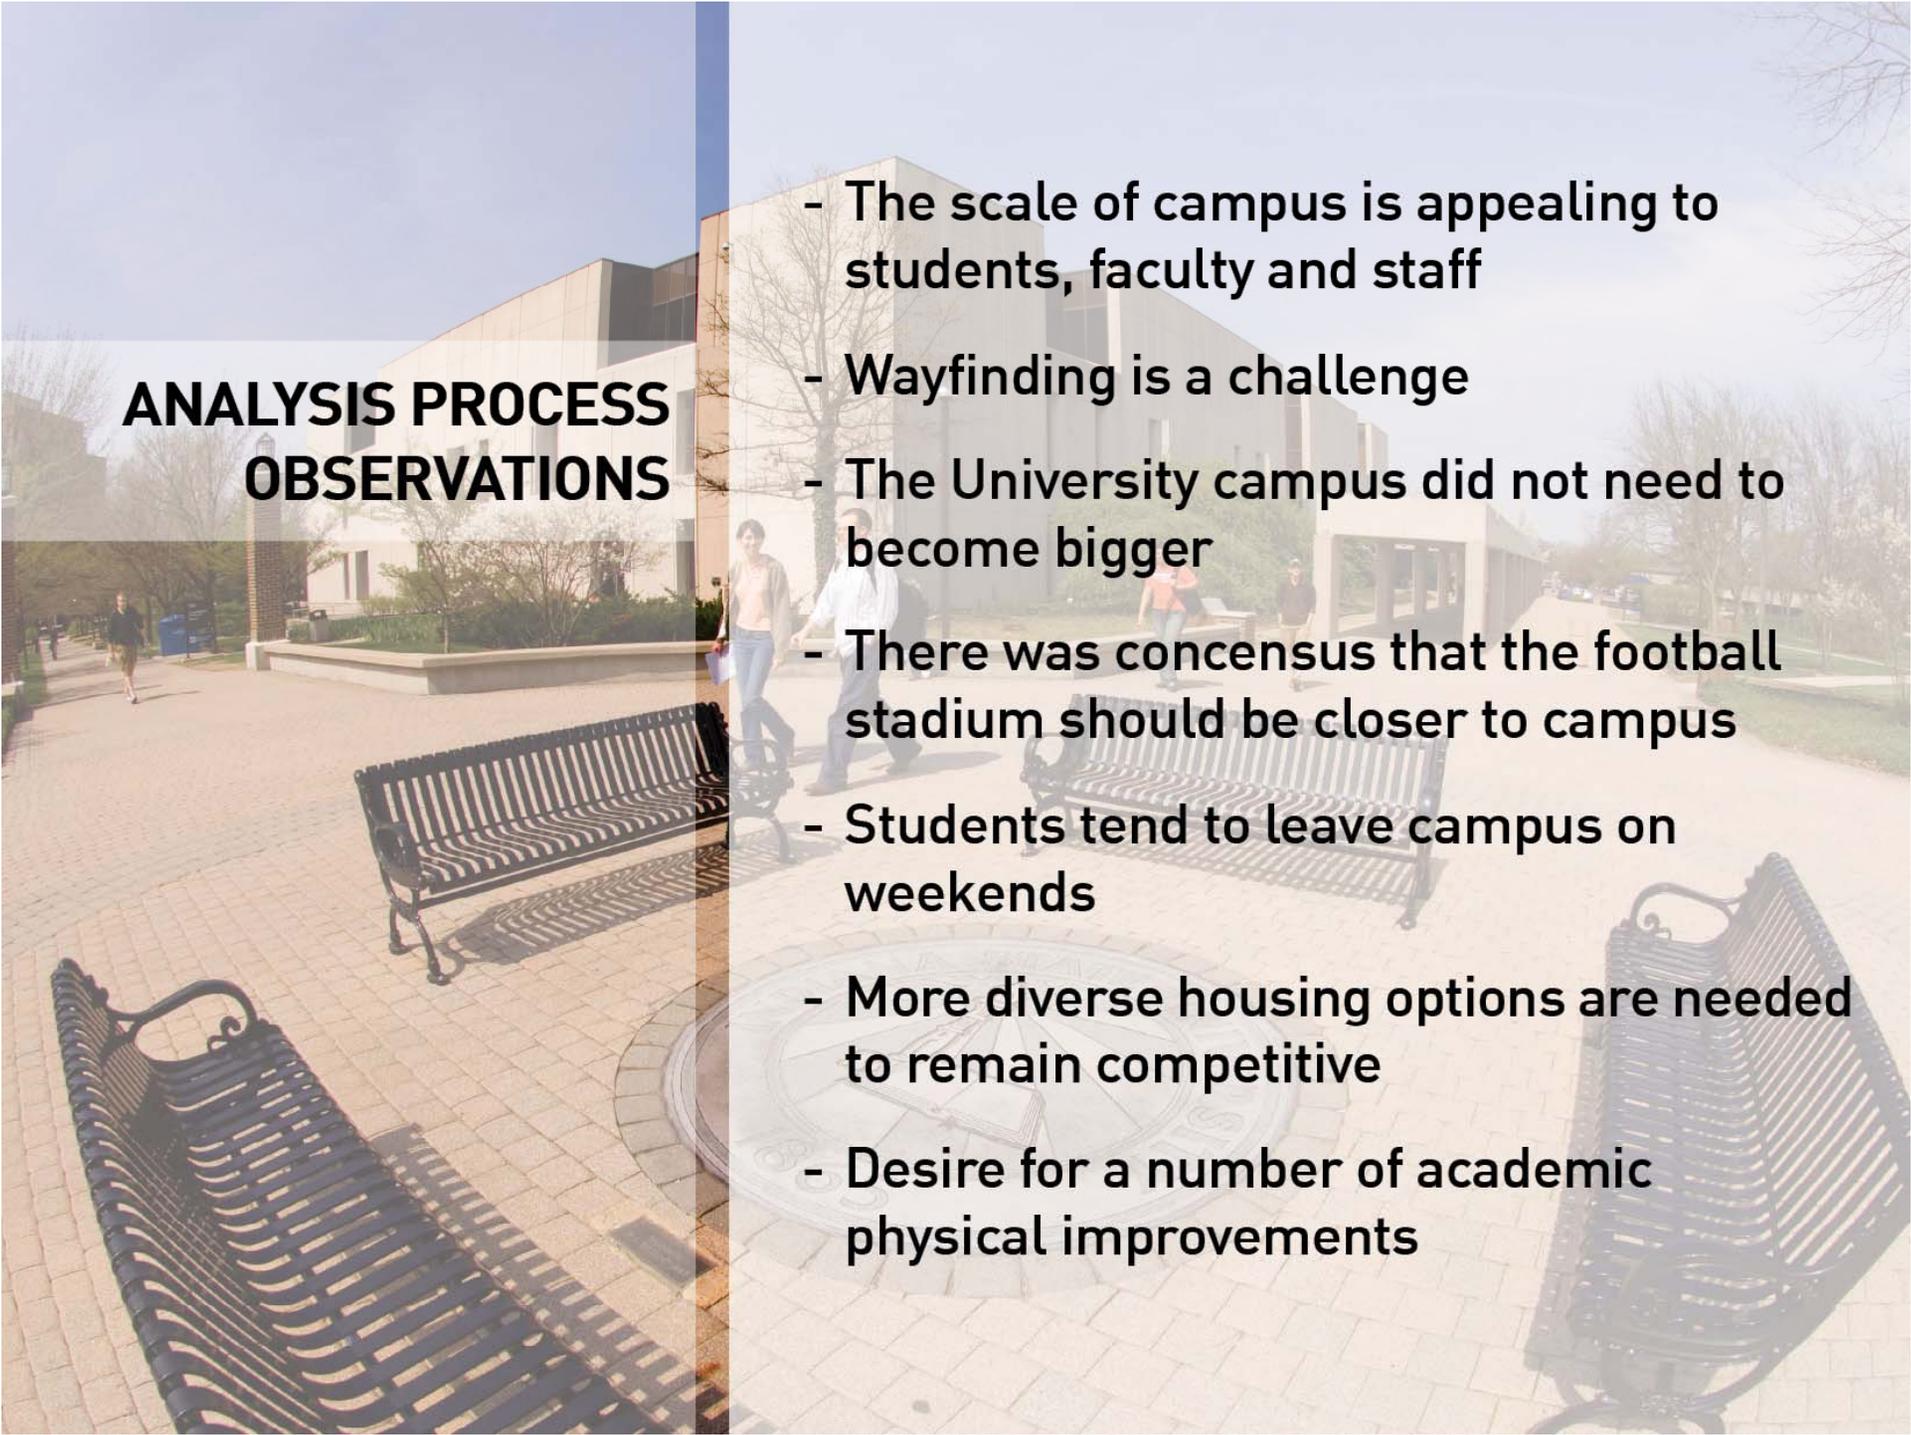

MASTER PLAN PROCESS OVERVIEW - 2009

MASTER PLAN PROCESS OVERVIEW

- Assessed general condition of campus
- Conducted 30 interview sessions
- Gathered thoughts and opinions from 50 stakeholders
- Developed concepts
- Coordinated with the Strategic Planning process
- Presented them to leadership for feedback and comment
- Refined conceptual alternatives
- Developed the preferred alternative
- Facility Assessment of several key campus buildings

ANALYSIS PROCESS OBSERVATIONS

- The scale of campus is appealing to students, faculty and staff
- Wayfinding is a challenge
- The University campus did not need to become bigger
- There was consensus that the football stadium should be closer to campus
- Students tend to leave campus on weekends
- More diverse housing options are needed to remain competitive
- Desire for a number of academic physical improvements

MASTER PLAN TENETS

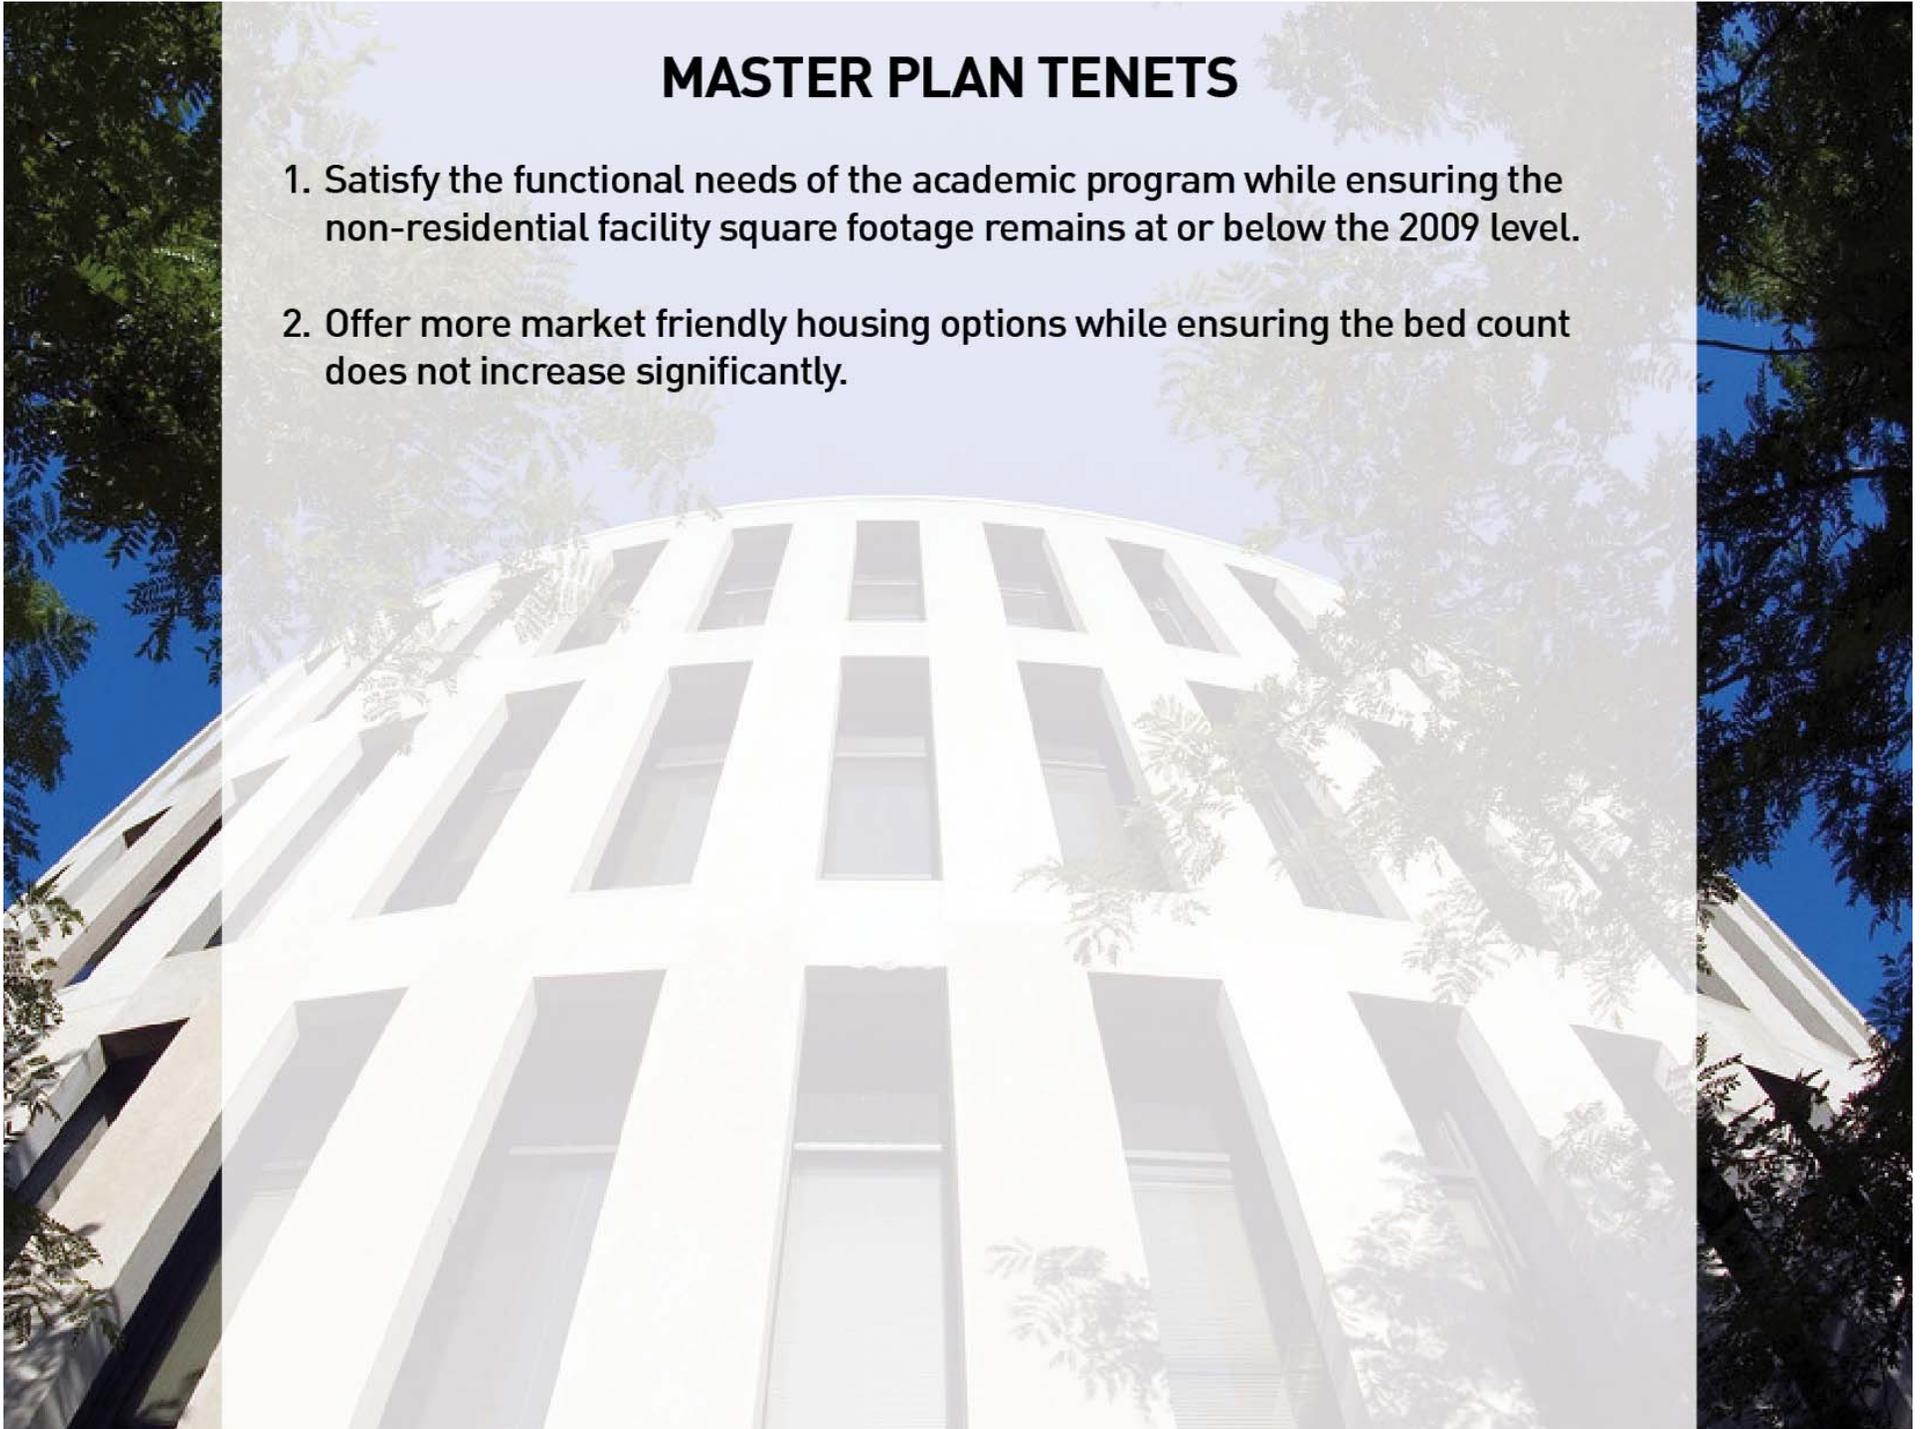

MASTER PLAN TENETS

1. Satisfy the functional needs of the academic program while ensuring the non-residential facility square footage remains at or below the 2009 level.

MASTER PLAN TENETS

1. Satisfy the functional needs of the academic program while ensuring the non-residential facility square footage remains at or below the 2009 level.
2. Offer more market friendly housing options while ensuring the bed count does not increase significantly.

MASTER PLAN TENETS

1. Satisfy the functional needs of the academic program while ensuring the non-residential facility square footage remains at or below the 2009 level.
2. Offer more market friendly housing options while ensuring the bed count does not increase significantly.
3. Improve the existing vehicular and pedestrian circulation systems to realize a more logical and user friendly pattern, particularly for first time visitors.

MASTER PLAN TENETS

- 1. Satisfy the functional needs of the academic program while ensuring the non-residential facility square footage remains at or below the 2009 level.**
- 2. Offer more market friendly housing options while ensuring the bed count does not increase significantly.**
- 3. Improve the existing vehicular and pedestrian circulation systems to realize a more logical and user friendly pattern, particularly for first time visitors.**
- 4. Maintain and improve the compact campus form building upon the valued pedestrian friendly aspect of the existing environs.**

7. Improve the campus in a manner that supports the continued development of downtown Terre Haute with the intent of realizing a vital college town atmosphere.
8. Improve the campus in a manner that responds to contemporary and practical sustainable design practices.

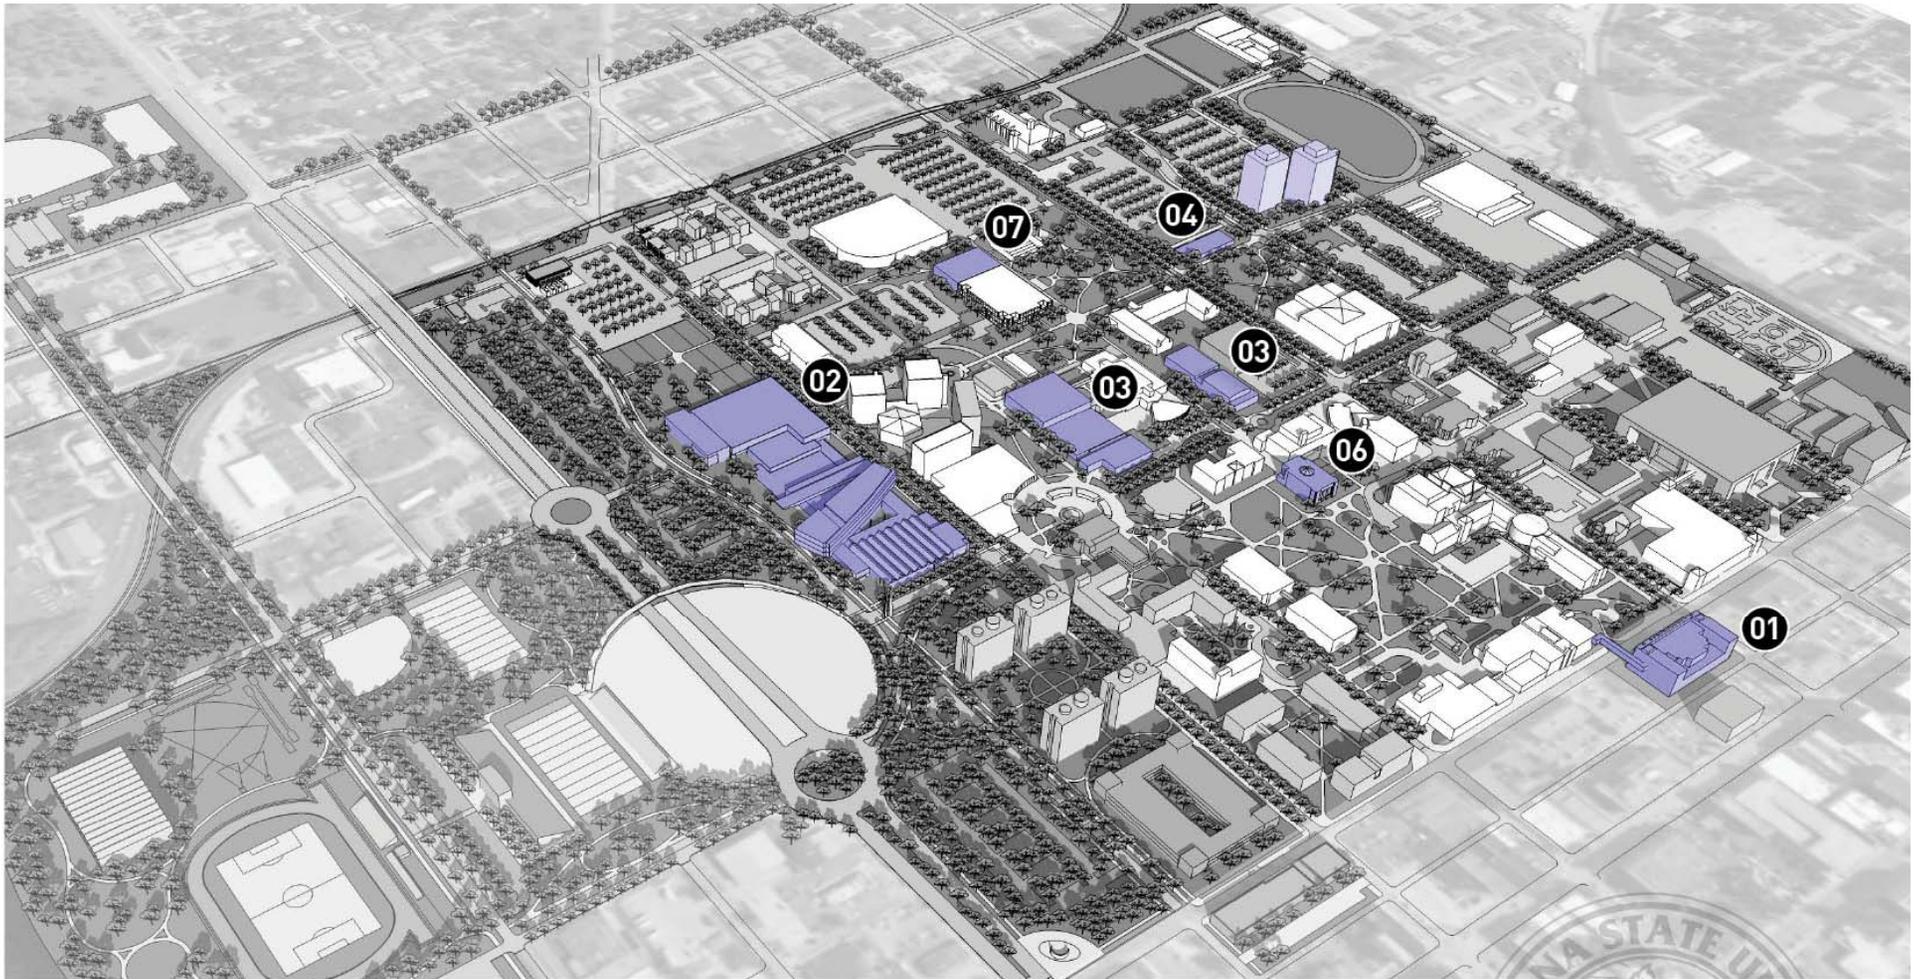

A large, white, abstract sculpture composed of thick, curved bands that overlap and intersect, creating a complex, geometric structure. The sculpture is set against a clear, bright blue sky. The lighting is bright, casting sharp shadows and highlights on the white surfaces. The overall composition is dynamic and modern.

THE CAMPUS MASTER PLAN - 2009

CAMPUS MASTER PLAN ILLUSTRATION

-  Capital Projects
-  Existing ISU Buildings
-  Not University Owned
-  Open Space

ACADEMIC FACILITIES

- 01. Donald W. Scott College of Business
- 02. College of Nursing, Health and Human Services
- 03. College of Arts and Sciences
- 04. Bayh College of Education
- 05. College of Graduate and Professional Studies
- 06. Student Academic Success Center
- 07. Library Services and Information Technology Facilities

Normal Hall

- **Constructed in 1910 as Library for Indiana State Normal School.**
- **Currently used for storage.**
- **Proposed use as Center for Student Success.**

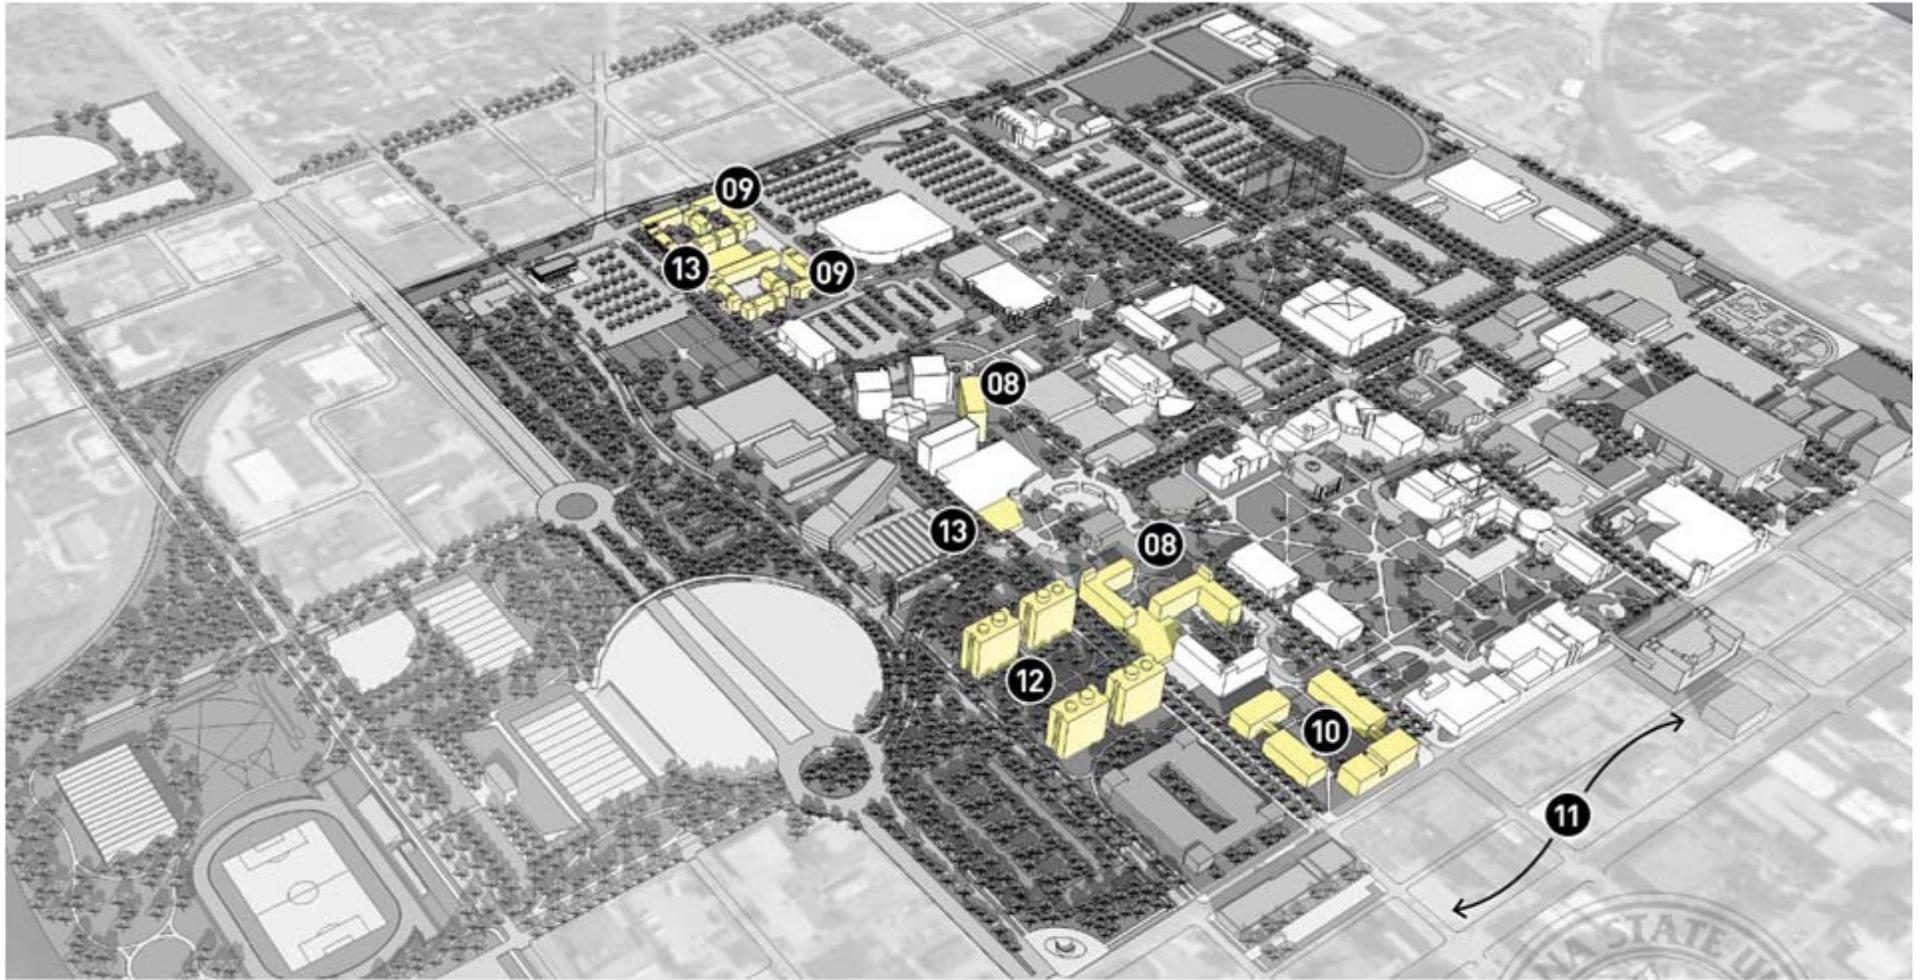

Arena

- **Constructed in 1961 and 1985.**
- **Gymnasiums, pool, locker rooms, dance studios.**
- **College of Nursing, Health, and Human Services.**

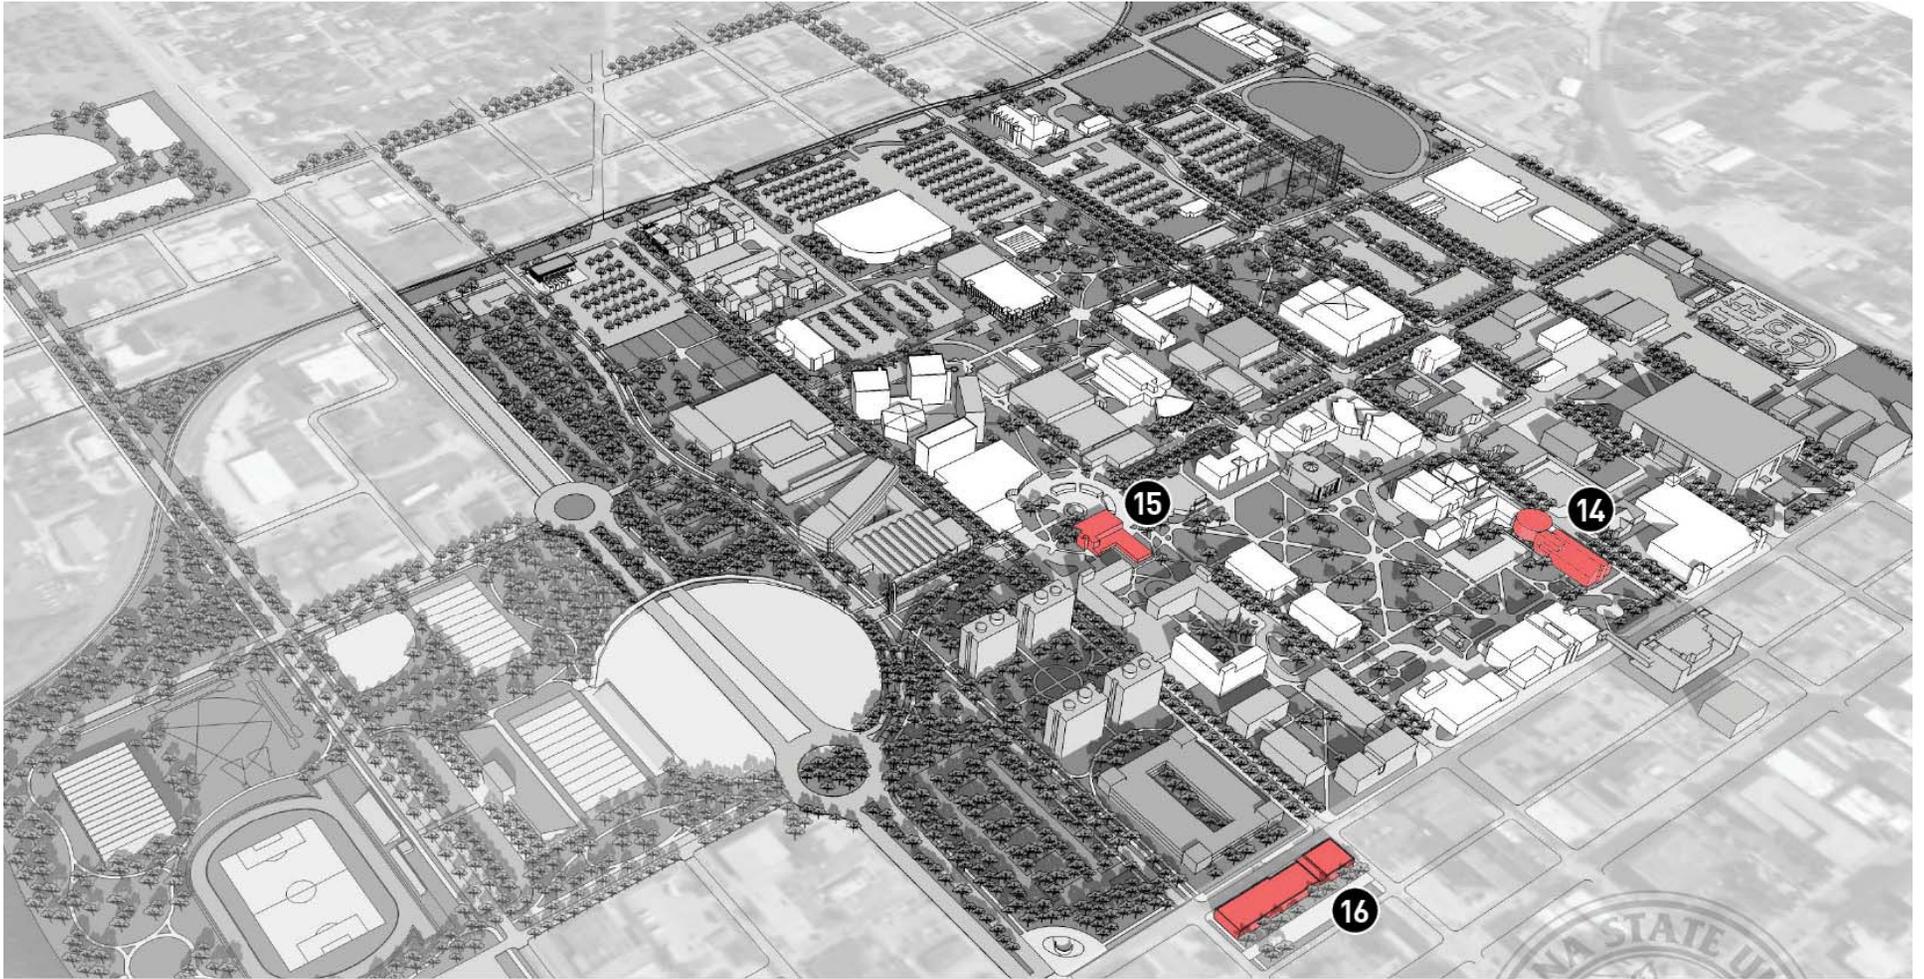

RESIDENTIAL LIFE

- 08. First Year Housing
- 09. Lincoln Quad
- 10. On-Campus Infill Housing
- 11. Off-Campus Housing
- 12. Sycamore Towers
- 13. Dining Services

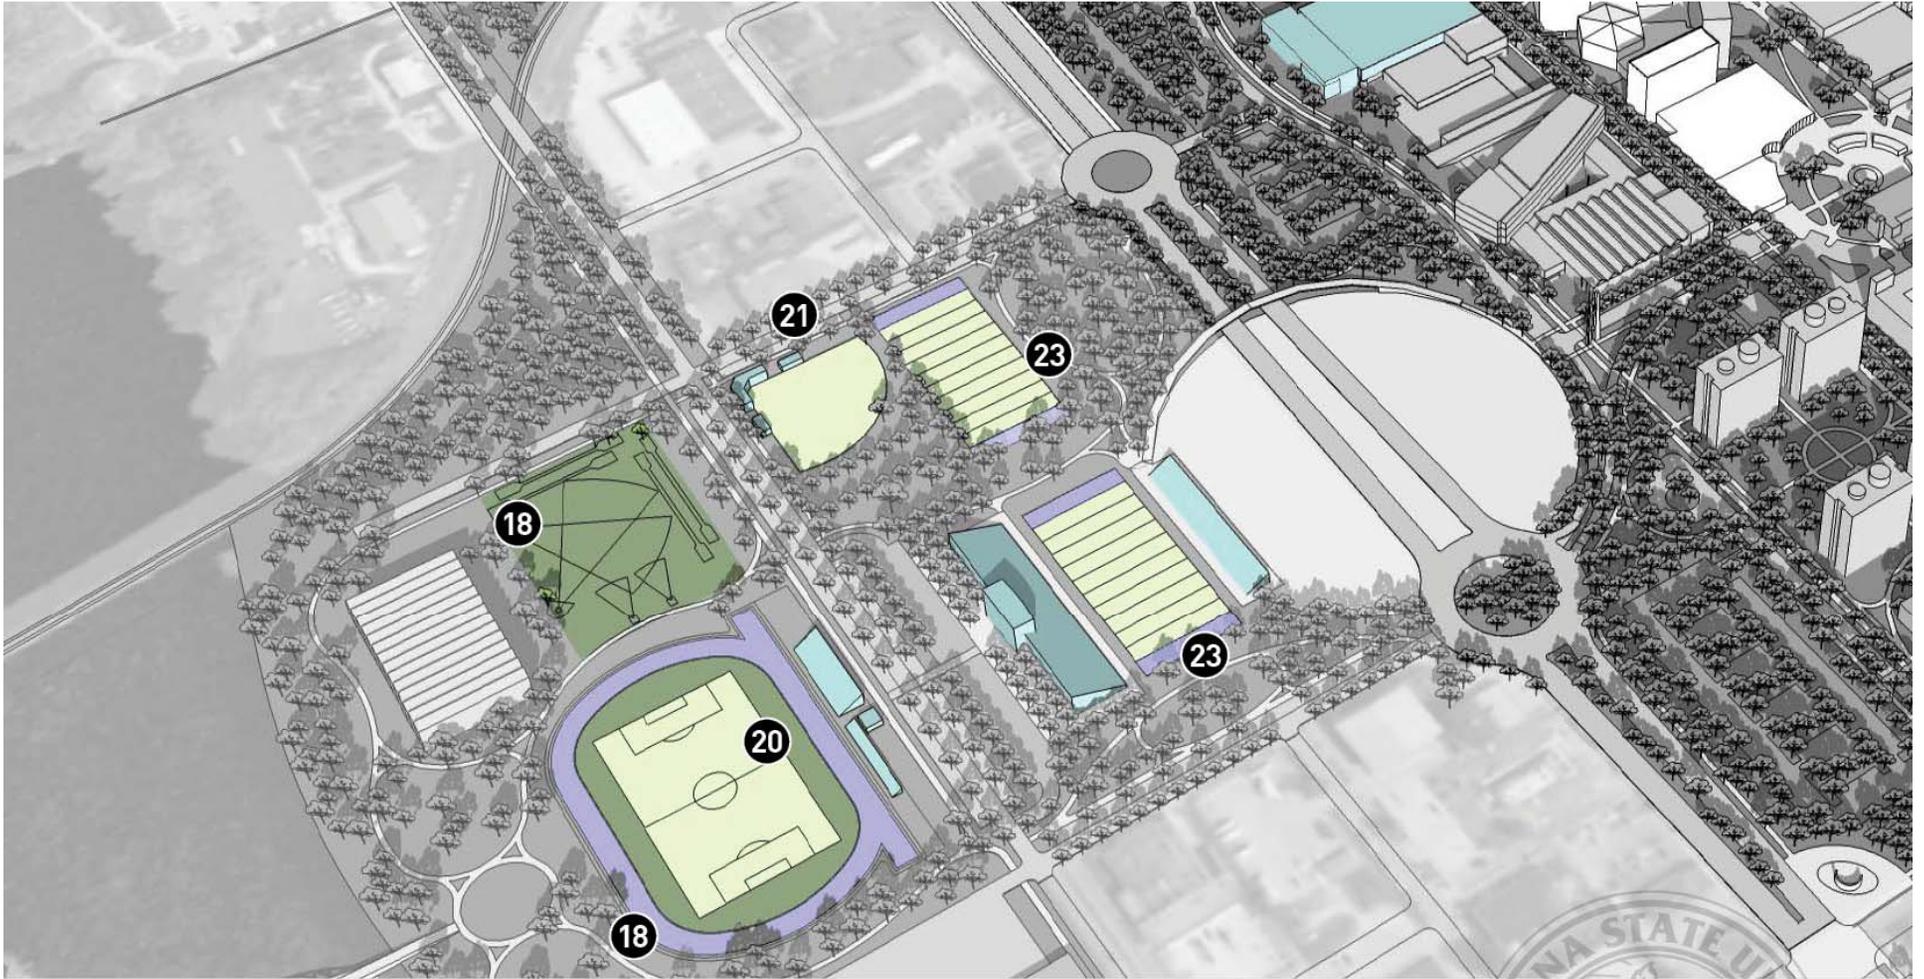

ADMINISTRATIVE FUNCTIONS

- 15. Welcome Center
- 16. The New Foundation Offices
- 17. Administration Offices

ATHLETICS

- 17. Basketball
- 18. Track and Field
- 19. Indoor Track
- 20. Soccer
- 21. Softball
- 22. Baseball
- 23. Football

WAYFINDING

- 24. US 41 Corridor (3rd Street)
- 25. 4th & 5th Street Corridor
- 26. Cherry Street Corridor
- 27. West of US 41 (3rd Street)

-  CSX Railroad
-  Primary Vehicular Circulation
-  Proposed/Existing Roadway
