OLD BUSINESS

NEW BUSINESS

Bob asked the board about setting up an electronics collection for the northern part of Cass County as the one the district held in Galveston brought in 3000 lbs in 3 hours time. It was motioned by Ted and seconded by Joe that Bob should set a date possibly in June to hold another collection in either Twelve Mile or Royal Center.

DIRECTOR COMMENTS

Bob reported that the plastic bag collection at the elementary schools went extremely well with 2500 lbs of plastic bags collected this year. Also that the tire program is going very well with 1 semi loaded already in less than 2 weeks from the start. Bob also commented on what a good job Allie Lumpkin did on April 12th organizing the Green Earth Festival in Galveston. He also mentioned that they collected 2 five gallon buckets of medicine that day. Bob told the board that he went to Wabash to visit and their district takes fluorescent tubes from businesses at a fee and that mostly pays for their residential program. The board wants Bob to put a proposal together for their review.
