### **Indiana Code Regulation Requirement Toll Free Consumer Telephone Number**

The 1987 Indiana General Assembly amended the Indiana Code to include a new requirement Under: on regulated proprietary institutions (IC 21-17-3-7), which in 2007 was added by P.L. 2-2007, SEC.258. That section states:

“The commission shall require that each postsecondary proprietary educational institution include in each curriculum catalog and promotional brochure the following:

- (1) A statement indicating that the postsecondary proprietary educational institution is regulated by the commission under this chapter.
- (2) The commission’s mailing address and telephone number.”

The following statement will be the **only** authorized statement and is required in all catalogs, brochures, and other related promotional materials.

**This institution is regulated by:  
The Indiana Commission on Proprietary Education  
302 W Washington St, Room E201  
Indianapolis, IN 46204  
Toll Free Number 1-800-227-5695  
or  
(317) 232-1320**

All of the institution’s catalogs, brochures, and other related promotional materials must contain the required statement. The statement should be printed in no less than 8 point type. In addition you should send a prepublication copy of the materials to the Commission for our compliance review to ascertain that they meet the Code requirements.

**The toll free telephone number is a consumer number only.** It is not intended for use by the institutions for administrative purposes of contacting the commission.
