Pat McAfee says...

help place a backpack filled with books in the hands of every Indiana foster child by purchasing a special edition **blue or pink backpack** featuring the NFL's #1 mascot—**Blue!** For each backpack purchased at the Pro Shop, the Colts will donate one filled with books to a foster child as a part of the Books for Youth program.

About Books for Youth

Started in 2006 through a partnership between the Indiana Department of Child Services and the Indianapolis Colts, the Books for Youth program was created with the goal of placing a backpack filled with 25 age-appropriate books in the hands of each of the more than 10,000 foster children in Indiana. Today the program has collected nearly 750,000 books and distributed over 5,000 backpacks with the help of the program's presenting sponsor, Cargo Services, Inc.
