YOU ARE INVITED TO THE HEART GALLERY FAMILY EVENT

Because every child deserves a family to call their own.

The Indiana Department of Child Services (DCS) invites you to a special family event designed to introduce you to some of the remarkable children featured in the Heart Gallery - currently in foster care and waiting for a loving and safe home.

The event will kick-off with a special reception and a brief presentation from an adoptive family and DCS, who also will be on-hand to answer questions about adoption throughout the evening. We invite you to be our guest and stroll through the Heart Gallery and enjoy Science Central.

A picture is truly worth a thousand words

A picture is truly worth a thousand words: One look at the Gallery reveals hope in spite of difficult circumstances. Although many of the children were removed from abusive and neglectful situations, their photos show they love to laugh, are eager to learn, and enjoy being with friends. Most of all, the children dream of finding their very own forever family. That family could be yours!
