**Regional Fiscal Report – Linda Haggens**

- After February 2014 expenditures we're supposed to be at 67% of our budget; we're at 70.38% which is a little over our budget
- Linda will send a detailed quarterly report to the Directors that shows a breakdown of where they're spending so they can look at areas where they can cut down expenditures to help with the budget
- Steve asked Linda to pull a report to show the number of clients served to see if that has increased to see if that is why spending has increased

**Regional Services – Jeff Bedree**

- We've completed the Motivational Interviewing Training for the Providers we've selected in this area. We're not delivering that service yet but the Provider Otraining is completed
- Trauma Focused Cognitive Behavioral Therapy Training is going to be under way in the next week or two. Region 4 is scheduled for April 2014
- FCT Model (Family Centered Treatment) is up and running. We're seeing great success!
