Subject: 2011 Emergency Management Performance Grant Salary Reimbursement Guidance

Purpose
The purpose of this Information Bulletin is to provide guidance and information regarding the reimbursement of salaries for emergency management personnel.

Background
In the past, the Indiana Department of Homeland Security (IDHS) has used the Emergency Management Performance Grant (EMPG) to financially support salaries for positions within county emergency management agencies (EMA) with the hope of encouraging conversion of all EMA directors to full-time status. This is consistent with EMPG guidance which reads, “Per the Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended, 42 U.S.C. 5121-5207, EMPG funds may be used for all-hazards emergency management operations, staffing, and other day-to-day activities in support of emergency management...”

Additional Guidance
The current IDHS policy on the EMA salary reimbursement program details that IDHS will assist with reimbursement of county EMAs up to three positions: EMA Director, EMA Deputy Director and one administrative or clerical support. This policy assisted IDHS in working through local planning issues and resolving the state’s potential funding issues. Our goal was to set a policy that explicitly sets the expectation with regard to what you could expect in EMPG funding annually thereby easing local budgeting related issues.

The level of funding is based on the local capability assessment process. Agencies are eligible for reimbursement up to 50% of the salary costs associated with the above mentioned positions.

Solicitation
The 2011 EMPG salary reimbursement period will be January 1, 2011 through December 31, 2011. For this reason, the Indiana Grants Management System (iGMS) will require each county to submit the names, the total dollar amount of salary and fringe benefits for each employee. It is also necessary to identify whether the employee(s) is a Local Emergency Planning Council (LEPC) member. LEPC members will be required to complete an Ethics disclosure form.
