Application – EMS Education Working Group

Please provide a copy of your current resume, including work history and courses taught with this application. Failure to provide a resume will result in your application being rejected.

The Indiana Department of Homeland Security EMS Preparedness, Training, and Education Section is forming a voluntary education working group to discuss EMS education standards, issues, and other topics, to review test questions, and address EMS educational issues within Indiana. To be eligible to apply for the group, applicants must:

1. Hold a current Primary Instructor Certification in Indiana
2. Currently be affiliated with a Training Institution
3. Have a minimum of 5 years teaching experience in Adult Education
4. Have taught at least one course or course section in the past two years
5. Must be able to commit to at least 75% of the working group meetings per year

Initially, meetings will be once a month for the first 6 months. They will then be scaled back to bimonthly meetings. Participants will be eligible for lodging (those who reside 75+ miles from the meeting). Meetings will be held on the **third Thursday of the month**, and these meetings will be scheduled from **9:00 AM to 3:00 PM**. Meetings will begin on May 16, 2013, and all parties will be notified of their selection by April 22, 2013. Any questions please send to Liz Fiato at efiato@dhs.in.gov.
