RE: 2015-2016 Indiana Third Party Inspection Agency Renewal

Dear Ms. Wakefield:

We are hereby submitting our updated information as an Indiana Third Party Inspection, Evaluation and Design Approval Agency. Attached you will find the required information.

Professional Service Industries, Inc. (PSI) has been in business for more than 30 years having 150 offices nationwide. PSI is headquartered 1901 S. Myers Road, Suite 400, Oakbrook Terrace, Illinois 60181. Our corporate organization as it relates to Modular inspections and plans review is as follows:

Randy Larson- President
Murray Savage - Chief Executive Officer
Walter Goin – Chief Operating Officer
John M. Pulsifer, P.E. - Executive Vice President Southeast Region
James C Keeney – Senior Vice President Facilities Engineering and Consulting

Mr. Keeney is considered the design professional who heads our modular facilities department out of Orlando, Florida. Mr. Keeney and the remainder of the management as well as the technical staff have no affiliation with any building manufacturer, vendor or supplier of products or equipment used in industrialized buildings or mobile structure systems.

PSI employees numerous professional engineers and certified personnel in various states throughout the United States in which it can rely upon for various reviews and for general support. A list of these personnel are in the attached submittal.

Mr. James Keeney is the Vice President over PSI's Modular Facilities Business
Mr. Bill Neary is the Department manager who assists Mr. Keeney in the daily tracking and operation of the facilities operation.
Ms. Andrea Gagliardo is a staff Secretary who assists Mr. Neary in the daily tracking and operation of the facilities operation.

Pd # 19561

STATEMENT OF INDEPENDENCE

PSI is an independent organization; it is not affiliated with nor influenced or controlled by producers, suppliers or vendors of products in any manner, which might affect its capacity to render reports of findings objectively and without bias.

- *Has no managerial affiliation with producers, suppliers, or vendors and is not engaged in the sale or promotion of any product or material.*
- *The results of its work accrue no financial benefits to the agency via stock ownership and the like of any producers, suppliers or vendors of products involved.*
- *Its directors and other management personnel, in such capacities, receive no stock option, no other financial benefit from any producer, supplier or vendor of the products involved.*
- *Has sufficient breadth of interest or activity that the loss or award of a specific contract to determine compliance of a producer's, suppliers or vendor's product with the standard would not be a determinative factor in its financial well being.*
- *The employment security status of its personnel is free of influence or control of producers, suppliers or vendors.*
- *PSI will not perform design approvals or compliance assurance program approvals for any manufacturer whose design or compliance assurance program has been created in whole or in part by personnel of PSI.*
- *PSI has no personnel associated with the Modular Facilities Department currently residing on advisory panels that assist the applicant in it policy making in relation to the public interest.*
