

Job Type: EMT

Location: Indianapolis, Terre Haute, Columbus

Qualifications:

- Must be Indiana DHS certified at time of application.
- Must have driving record acceptable to our insurance carrier.
- Must pass industry-standard background checks.
- Must hold high school diploma or GED.
- Experience preferred but not required.

Job Description: The EMT is responsible for emergency and non-emergency care of extra-hospital patients, as well as those duties necessary to satisfy the needs of our partner facilities and clients. These duties include but are not limited to:

- Maintain safety of himself/herself and his/her partner at all times.
- Emergency and non-emergency treatment according to established protocols.
- Safely operate company vehicles.
- Display excellent communication and customer service skills.
- Complete thorough patient care and other documentation in a timely manner.
- Maintain current on all required education and training.

Salary: Varies depending on qualifications and experience
