Health and Safety Tips

- Don’t board a ride if you see signs of improper maintenance, an inattentive operator or something else that doesn’t look safe. Report your observations to the ride operator or call the IDHS amusement ride hotline at 1-888-203-5020.
- Every ride should have a prominently displayed, current permit issued by IDHS. The permit is about the size of a business card and is typically located at the operator’s station. Permits are good for one year. If the ride has no such permit, or the permit has expired call the amusement ride hotline.
- Read all posted rules and listen to instructions given by ride operators.
- Always use the safety equipment provided.
- If a ride stops temporarily due to mechanical failure or other reasons, stay seated and wait for an operator to give you further instructions.
