5**

Course Hours: 4pm-9pm

Instructor: Heidi R. Cornell, Ms.Ed.

General Information:

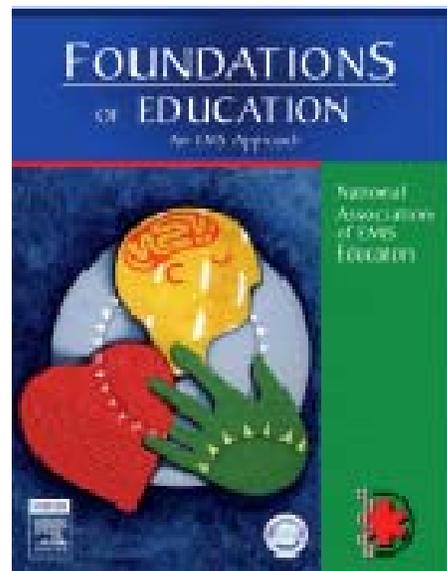

The Pelham Training Primary Instructor Course presents the didactic component and the practical application of the beginning education process to become an EMS instructor. This course is highly interactive and engaging. This course will prepare students to take the PI written examination and to be prepared to begin an exciting career as an EMS Primary Instructor. Current Primary Instructors are welcome to come and sit for continuing education hours. Certificates on topics will be given for continuing education hours.

Qualifications:

You must have been certified as an EMT-B or above for at least one year, and you must retake the EMT-B written exam (and receive a minimum score of 85%) and the EMT-B practical exam (regardless of your current certification level) before you can take the state PI written examination. Space is limited and early registration is strongly encouraged (we reserve the right to cancel the course due to insufficient enrollment).
