

**ANTI-TERRORISM
ADVISORY COUNCIL
SOUTHERN DISTRICT OF INDIANA
PRESENTS**

INTELLIGENCE FOR LAW ENFORCEMENT TRAINING

The Intelligence for Law Enforcement Training is a **free**, half-day session that will be held at five different locations throughout the district. This law enforcement training, mandated by the USA Patriot Act – Section 908, is intended to give state and local law enforcement officials the tools necessary to fill their critical role in the intelligence arena. This training session will immediately follow the 2007 Anti-Terrorism Advisory Council (ATAC) Zone Meeting. The ATAC Zone Meetings, led by the United States Attorney for the Southern District of Indiana, Susan W. Brooks, will start off with an agency update by the heads of some of the ATAC’s federal partners, including ATF, DEA, FBI, ICE, IRS, TSA, US Postal Service, and the US Secret Service. All law enforcement officers and intelligence analysts are recommended to attend.

The following dates and locations are dispersed across the district to allow everyone an opportunity to attend. If the session nearest you does not suit your calendar, please feel free to join us at one of the other sessions. *Pre-registration deadline is 5 days prior to the respective session!*
