Denise,

For Budgeting purposes, please see the projected annual maintenance fees and Technical Service / Support amounts below for next year.

Financial Payroll Suite System Annual Maintenance	\$17,016
Property Tax System Annual Maintenance	\$23,272
Technical Services (Estimated 120 Hours Min)	\$11,400 (Special Rate)

Funds have not been included to purchase any new hardware. I would recommend that you plan to budget a reasonable amount annually so you have a more consistent annual budget amount. This funding could be added and used via Technical Service / Support if desired.

Let me know if you have any questions.

Shawn Low
