PROFESSIONAL SERVICES AGREEMENT

THIS AGREEMENT (the "Agreement") is hereby entered into between Ad Valorem Solutions, LLC, with office at 506 E. North St., Kokomo, IN 46901 (the "Contractor") and the County Assessor, with office at 201 N. Third Street, Room 102, Kentland, IN 47951; the Township Assessors; and the Township Trustee Assessors, of Newton County (the "Assessor").

1.0 General Undertaking

The parties are entering into this Agreement to establish a relationship whereby Assessor is commissioning Contractor to perform certain general consulting services and to deliver certain written findings and recommendations specified in the attached Statement of Work (collectively, "Maintenance").

2.0 Term of Engagement

This Agreement shall commence on the date stated in Section 21 (Start and Completion) and unless terminated earlier in accordance with Section 7 ("Termination") shall continue in full force and effect until the Statement of Work is completed according to its terms. Termination shall have no effect on Assessor's obligation to pay the applicable labor rate or an equitable portion of any Fixed Price for Services that are rendered prior to the effective date of termination.

3.0 Nature of Engagement

Contractor is being hired on a Fixed Price basis to perform the Services and provide the Deliverables according to specifications described in the Statement of Work (the "Maintenance"). Any changes to the scope of work shall be subject to a written Change Order that includes an appropriate adjustment to the price, delivery dates or a notation that no such adjustments are necessary. If the parties cannot agree on the characterization of an item as "out-of-scope," Contractor shall fill the request without prejudice to its claim for reasonable compensation. Unless otherwise stated, all work schedules shall be considered reasonably accurate estimates, subject to revision.

4.0 Price & Payment

(a) **Price.** The Services and all Deliverables described in the Statement of Work are provided at a firm fixed price of Twenty-five Thousand Dollars (\$25,000.00). The price includes Contractor's wages, overhead, general and administrative expenses and

all other indirect costs and profit to be recovered or charged under this Agreement. Contractor shall pay its personnel at least the minimum wage applicable to each labor classification.

(b) Invoices. The price for all Services shall be invoiced monthly based upon such portion to the fee as the percentage of the work completed during the preceding month.

(c) Payment. Payment shall be made within thirty (30) days after date of invoice. Assessor may not withhold or "setoff" any amounts due hereunder and Contractor reserves the right to cease work without prejudice and assert appropriate liens if amounts are not paid when due. Assessor shall execute any required financing statements.

(d) Out-of-Pocket Costs. Except as otherwise set forth in this Agreement, prices quoted for Services include Contractor's reasonably anticipated out-of-pocket costs for travel. Any extraordinary expenses shall be subject to good faith negotiation by the parties.

5.0 Non-circumvention

During the Term and for a period of one (1) year thereafter, both parties agree not to hire, solicit, nor attempt to solicit the services of any employee or subcontractor of either party. Violation of this provision shall, in addition to other necessary relief, entitle effected party to assert liquidated damages against violating party equal to one hundred fifty (150) percent of the solicited person's annual compensation.

6.0 Notices

Notices sent to either party shall be effective when delivered in person or transmitted by telecopy ("fax") machine, one (1) day after being sent by overnight courier, or two (2) days after being sent by first class mail postage prepaid to the address on the first page hereof or such other address as a party may give notice. A facsimile of this Agreement and notices generated in good form by a fax machine (as well as a photocopy thereof) shall be treated as "original" documents admissible into evidence unless a document's authenticity is genuinely placed in question.

7.0 Termination

This Agreement shall terminate upon expiration of the Term described in Section 2 ("Term of Engagement"). In addition to other relief, either party may terminate this Agreement if the other party breaches any material provision hereof and fails after receipt of notice of default to correct such default promptly or to commence corrective action reasonably acceptable to the aggrieved party and proceed with due diligence to

completion. Either party shall be in default hereof if it becomes insolvent, makes an assignment for the benefit of its creditors, a receiver is appointed or a petition in Bankruptcy is filed with respect to the party and is not dismissed within thirty (30) days. Termination shall have no effect on the parties' rights or obligations under Section 5 ("Non-circumvention").

8.0 Independent Contractor Status

Each party and its people are independent Contractors in relation to the other party with respect to all matters arising under this Agreement. Nothing herein shall be deemed to establish a partnership, joint venture, association or employment relationship between the parties. Each party shall remain responsible, and shall indemnify and hold harmless the other party, for the withholding and payment of all Federal, state and local personal income, wage, earnings, occupation, social security, worker's compensation, unemployment, sickness and disability insurance taxes, payroll levies or employee benefit requirements (under ERISA, state law or otherwise) now existing or hereafter enacted and attributable to themselves and their respective people.

9.0 Security, No Conflicts

Each party agrees to inform the other of any information made available to the other party that is classified or restricted data, agrees to comply with the security requirements imposed by any state or local government, or by the United States Government, and shall return all such material upon request. Each party warrants that its participation in this Agreement does not conflict with any contractual or other obligation of the party or create any conflict of interest prohibited by the U.S. Government or any other government and shall promptly notify the other party if any such conflict arises during the Term.

10.0 Insurance, Indemnity

Each party shall maintain adequate insurance protection covering its respective activities hereunder, including coverage for statutory worker's compensation, comprehensive general liability for bodily injury and tangible property damage, as well as adequate coverage for vehicles. Each party shall indemnify and hold the other harmless from liability for bodily injury, death and tangible property damage resulting from the acts or omissions of its officers, agents, employees or representatives acting within the scope of their work.

Such acts shall include acts of God, acts of war, epidemics, communication line failures, power failures, earthquakes, and other similar disasters. In every case the delays must be beyond the control and without the fault or negligence of the non-performing party.

15.0 Professional Appraiser Certification; Contract Void on Revocation.

This Agreement may be modified or amended only by a writing signed by the party against whom enforcement is sought. Except as specifically permitted herein, neither this Agreement nor any rights or obligations hereunder may be transferred or assigned by Assessor without Contractor's prior written consent and any attempt to the contrary shall be void. Neither party shall be liable for delays caused by events beyond its reasonable control. Any provision hereof found by a tribunal of competent jurisdiction to be illegal or unenforceable shall be automatically conformed to the minimum requirements of law and all other provisions shall remain in full force and effect.
