NAME AND ADDRESS HERE

The purpose of this letter is to notify property taxpayers of La Porte County of their right to request a preliminary conference with the county or township assessor to resolve their appeal before the PTABOA (County). We also want to be sure that you are aware that if you filed your appeal after June 30th, 2007, and you have not had your hearing within 180 days from the time of your filing, that you have the option to appeal directly with the IBTR (Indiana Board of Tax Review) and skip your hearing at the County level.

La Porte County has implemented an aggressive PTABOA (County) schedule and is fully prepared to act on your appeal should you choose to remain in the local process. By choosing to be heard at the local level you still maintain your right to petition the IBTR after the county's ruling if you don't agree with our determination. For more information on this process, please visit www.in.gov/dlgr/memos - 2007 Legislative Changes to Assessment Appeals Process.

Thank you
