You will find in this workbook the 2007 sales ratio and equalization study for Cass County. We have also included the 2007 values vs 2008 values as a special tab. We have also, upon request from the DLGF, included 6 tabs breaking each major classification out for the entire county. Please notify the Cass County Assessor as soon as possible with any questions or with the certification of acceptance. They are very close to completing the process needed in order to print form 11's, but will not print the form 11's until hearing from the DLGF.

Due to the amount of sales we grouped all of the commercials and industrial properties together, to get the best trending factor available. We included 2005 sales in our analysis a time adjusted them by 2% annual. We are aware that the commercial property in Clay township has a median level that is outside the IAAO standards. However, there was only one valid sale - and it was a house that was purchased for an insurance office, and we believe they overpaid for the property. There is also only one sale in Tipton Township and although it falls outside of the IAAO standards one sale is not enough to lower the values of the entire Township. They are included in the over-all comm-ind tab which does fall within the IAAO standards.

Due to only having 2 valid residential sales in Bethlehem Township, we have included 2005 sales in our alaysis, These sales were time adjusted by 2% to January 1 , 2007.

We also want to point out that there are a lot of parcels in Cass County that are listed as vacant but really go with an improved parcel. This is evident by the fact that we added to our sales ratio study 105 parcels that were multiple parcel sales, 40% of which had at least two additional parcels to the improved parcel. Due to this, the vacant parcel count in some of these townships is exaggerated because the parcels are really part of the improved lots and are being sold as such. In most of these townships there really are not 25 vacant residential properties to purchase, they belong with improved parcels.

Please respond as soon as possible with any questions or concerns so that we can submit our values to the Auditor.

Thank You,

Judy Lewis
Cass County Assessor
