You will find in this workbook the 2008 sales ratio and equalization study for Floyd County. Please notify the Floyd County Assessor as soon as possible with any questions or with the certification of acceptance. We are very close to completing the process needed in order to roll values to the Auditor, but will not roll values until approval from the DLGf.

There were no sales available for Greenville Township Commercial Improved or Lafayette Commercial Vacant. We went back as far as 2001 to set the values for the 2007 trending. With no newer sales, we feel the values are best left where they are. We also are aware that the PRD for Lafayette Commercial Improved is outside the IAAO range, but with only two sales - this could not be helped. In these cases the grouping of all townships does fall within the IAAO range.

We have also included the workbook values (abstract) which was taken from the ProVal Database after trending factors were applied.

Please respond as soon as possible with any questions or concerns so that we can submit our values to the Auditor.

Thank You,

Brenda Egge
Floyd County Assessor
