Catherine H. Wolter
Attorney
Indiana Department of Local Government Finance

Dear Ms. Wolter:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with LSA Document 09-597 proposed by the Department of Local Government Finance ("DLGF"). The proposed rule repeals 50 IAC 11 governing administrative procedures for the state board of tax commissioners, the local government tax control board, and the school property tax control board in their review of local government financing projects. The review of local government financing projects by the entities referred to in 50 IAC 11 has been eliminated by the legislature.

The impact statement provided by DLGF indicates that the proposed rule will not impose requirements or costs on small businesses under IC 4-22-2.1-5

The IEDC does not object to the economic impact to small businesses associated with the proposed rule changes. If you have any questions about the comments contained herein please contact me at 232-8962 or rasberry@iedc.in.gov.
