Dear Mr. Marusarz:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 12-290 and proposed by Indiana Department of Local Government Finance ("DLGF"). The proposed rule amends 50 IAC 26-18 concerning county installations of certification of property tax management systems and recertification of certified computer systems. The economic impact statement prepared by the DLGF indicates that no requirements or costs will be imposed on small businesses as a result of the proposed rule.

The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 234-3997 or eshields@iedc.in.gov.

Regards,
