Scott County's Industrial is not much different than the Commercial in size and type of construction therefore all commercial and industrial classes have been combine for market areas and adjustments.

Commercial and Industrial have been combine countywide to compare and establish factors due to lack of parcels in the smaller areas.

The 2006 retrend resulted in an increase for 19 percent and an additional 12 percent was indicated after adding in the sales for 2006

The County is continuing to collect income information

Parcels have been combine when possible for Residential and Commercial

Redefining of neighborhood's is an ongoing process and will result in greater equitability within each area.
