

**Doug Keller**

Doug Keller graduated from Culver Community High School in 1984. He went on to earn a bachelor's of science, double-majoring in biology and environmental studies. Since joining the DNR, Doug served as a district fisheries biologist for 15 years managing fish populations in public lakes and streams in Central Indiana. Seven years ago, Doug became the Aquatic Invasive Species (AIS) Coordinator with the goal of preventing, containing, or controlling species detrimental to the lakes, streams, ponds, and wetlands of Indiana. Doug is now the Aquatic Habitat Coordinator overseeing the AIS Program, Contaminants Unit, and the Lake and River Enhancement Program. Doug is happily married with two children who keep him and his wife busy with school activities and sports. During his freetime, Doug enjoys hunting, fishing, golf, and gardening.
