

Chain O'Lakes S.P. Interpretive Program Schedule MAY 17 – 18, 2008

For more information call: 260-636-2654
Interpretive Naturalist: Howard Luehrs

Saturday MAY 17

9:30am Woodpecker Walk – Start your day off on an easy jaunt around Dock Lake as we search for sights and sounds of the park's many woodpeckers. Meet at Dock Lake Boat Launch.

2:00pm Birds of a Feather – Come to the Nature Center for a program on birds of the park and their many adaptations.

Sunday MAY 18

10:00am Searching Sand Lake – Take a leisurely stroll of Sand Lake as the naturalist answers questions and points out areas of interest. Meet at Sand Lake Boat Rental.

1:30pm – Fun and Prizes! Join us at the Nature Center in a 'natural' competition as you learn about Chain O'Lakes.

Saturday MAY 24

9:30am Wildflower Wander – Come tiptoe through the tulips (not really) as we search for late spring wildflowers on this 2.6 mile hike. Meet at the Campground Store.

2:00pm Hummingbirds – Help get the birdfeeders up and filled as we talk about these flying wonders. At the Nature Center.

Sunday MAY 25

10am Insects Bug Me – Enter the fascinating world of insects as we seek out their hiding places. Meet at the Bowen Lake Parking Lot.

1:30pm Insects Bug Me Too – Make and Take. Build some of your own insects at the Nature Center.

Monday MAY 26

9:00am Canoe Hike – 'Set sail' on our annual Memorial Day Canoe Hike. Spend 2 hours with the naturalist canoeing some of our lakes and channels. Bring your own canoe or rent one Meet at the Sand Lake Boat rental.

1:00pm Furbearers – We'll dust off the pelts of our furbearers collection and learn their habits and habitats. At the Nature Center.

Saturday MAY 31

9:30am Trail Blazer – Plan to see a part of the park you may have never seen before as we hike a 2-mile unmarked trail. Meet at the Campground Store.

2:00pm Ladybug Ladybug – Make and Take. Learn the good, the bad, and the ugly about ladybugs. Make and Take a ladybug hand puppet when we are done.

Sunday JUNE 1

10am Along Long Lake – Discover the wonders of wetlands on Trail 6. Meet at the Nature Center Parking Lot.

1:30pm Leave it to Beaver – Learn all about beavers in this program that will include a short hike. At the Nature Center.
