

Dove Hunting Rules and Procedures

Managed Fields

- Reservation holders must be checked in at the Headquarters by 11:00 local time.
- A stand-by drawing for unclaimed reservation spots will be held immediately following the processing of reservation holders.
- Shooting time will be Noon to 5:00 p.m. (central time) unless otherwise posted.
- Hunters must use non-toxic shot shells. **NO LEAD SHOT ALLOWED**
- A **50 shell limit** is in place in managed fields
- Hunters in the managed field areas are not allowed to switch fields. They must stay in the field chosen at the draw.
- Hunters must hunt from designated shooting strips.
- Guns are not to be taken to retrieve downed birds.
- Do not shoot up or down length of shooting strips.
- All trash should be removed from the field after the hunt. Spent hulls are considered trash.
- No alcoholic beverages are allowed in the fields.
