SWIMMING IS PROHIBITED

Sugar Creek is extremely hazardous.

Let wild animals remain wild. Feeding deer is prohibited. Feeding all wild animals can result in harm to both animals and people. Animals who depend on natural food sources will become accustomed to human food, which can be dangerous to themselves. Please lock all food and coolers inside cars or campers.
WARNING: All trails, except 9, 10 and Backpack, have portions that use ravine streambeds as trail surface and sections of trail can become slick and trail tread uneven. Parts of these trails may be impassible during high water and should be considered closed during these times. Use alternate trails during times of high water.

Ladders are used on trails 4 and 5. These can be hazardous for visitors with some medical conditions or disabilities. Hikers with small children and pets should use alternate trails.
