Examples of past entertainment options:

The “Gourd” lady from Park County and her magnificent gourd products

The events of the day will end around 8:30pm. DRIVERS and NAVIGATORS should rest up for a full day of driving and exploring! Don't forget to pack your camera!

Driving Route Day One

Monday

7:00 - 8:30am - Breakfast is served. Teams will "fuel" up for a day of exploring! Teams should dress for the weather, wear comfortable shoes, and be ready for a "trunk-load" of fun!

8:45 am - Teams will be asked to line up their cars in the designated area for the official "Drivers Meeting". Our route specialists will explain portions of the route to you at this time - as well as the "rules" of the road. And of course we will take pictures!!

9:00 am - The first car leaves the "gate" onto new Indiana Adventures. Each "team" (car) will receive their secret adventure package at this time.

Your adventure packet will include:

Detailed route information - Rest areas, gas stations, restaurants/diners (lunch is on your own as you drive the route), and places of interest will be clearly identified. Your team navigator is in charge of getting you to the right spot (and sometimes at the right time).

Question Sheet - To receive points to be eligible to WIN the rally, each team will be asked to answer questions concerning their route for the day.

Scavenger Hunt List - For additional points, each team will be asked to "hunt" down specific items to receive points.

4:00 pm - 6:00pm - Teams will start returning to the Inn. Upon arrival, teams will turn in their scavenger hunt items and their question sheets. Items will be graded and points will be received.

6:00 pm Dinner is served (Specific State Park location TBD)

7:00 pm Entertainment follows dinner.

Driving Route Day Two

Tuesday

7:00 - 8:30 am - It's time to "refuel" for Day Two of the rally! Teams know the drill now - and by now we have found out who the "competitive" teams are.

8:45 am - Teams line up their cars for another exciting day on the road. Remember that each day your route will be different, with new sites to see and places to visit.

9:00 am - The first car leaves the "gate" with their secret packet in hand. Some pictures are taken and the teams are "off" to points unknown.

4:00 - 6:00 pm - Teams arrive back to the Inn and hand over their unique scavenger hunt items/question sheets for grading!! If you arrive back to the Inn early, feel free to "loungue" about and mingle (or take a nap).

6:00 pm Dinner is served (Menu TBD)

Your adventure with us will conclude with a wonderful dinner and our Awards Ceremony. Prizes will be awarded to our top teams.

We hope that you have such a great time with us on our May rally - that you consider joining us for our Fall Adventure @ Turkey Run Inn. Our Fall Adventure will have you on the back-roads of Parke County and the Covered Bridge Capital of the world.
