

August 2014

Falls of the Ohio State Park

-Aug. 3rd, 10th, & 17th, 2:00pm **Journeys From Around the World**

Join Park Naturalist Patrick Haulter for pictures and stories of his recent trip around the world. Starting with his interpretation of Madagascar or the Island of the Moon. Then, jump on board the Safari Jeep with Patrick in Africa for a photo safari in two widely different habitats. Finally head to China for sight seeing including places like Beijing, Tibet, and the Yangtze River.

-Aug. 6th, 1:00pm **Virtual Tour of the Outer Fossil Beds**

Join veteran park volunteer Paul Olliges for an exciting picture tour of the least seen portion of our fossil beds. See parts of The Falls of the Ohio you've likely never seen before all from the safety of the Interpretive Center.

-Aug. 16th, 9:30am **Canoe Hike along the Falls of the Ohio**

Jeremy Beavin takes off for an adventure along the mighty Ohio River and welcomes you to bring your canoes or kayaks and join him at the George Rodgers Clark Boat Ramp for a nice leisurely trip full of fun facts and exciting sights. This is sure to be a treat for boaters of any level.

-Aug. 23rd, 10:00am **Ancient Ocean Fossil Hike**

Come on out and discover our 400 million year old ocean with Falls of the Ohio State Park naturalist Patrick Haulter. This one hour hike will take you down to show off some of the parks rarest and most spectacular fossil specimens as well as give you more details into the life these animals lived.

-Aug. 30th, 9:00am **Outer Fossil Beds Hike**

This is the hike we wait all year for. This hike takes visitors across part of the Ohio and out onto the "Outer Fossil Beds". This hike is only offered a few times a year and is dependant on the water level of the Ohio River. Join Paul and Brian as they take you on an adventure everyone needs to experience at least once. Please bring an old pair of shoes as getting your feet wet is inevitable.

For more information regarding these or any other upcoming programs or activities please contact the Falls of the Ohio: 812-280-9970, www.in.gov, or fotointerp@dnr.in.gov
