Please make prior arrangements for any school, church or scout groups wanting a specific program. Call Amelia at (812)682.3658

The Friends Group wants YOU!

We invite each and every visitor or community member to be a part of the best thing that ever happened to Harmonie State Park. Our non-profit Friends of Harmonie is making great things happen! Mulching the playgrounds, bluebird houses, a permanent stage, preserving the Big Oak tree slice and planning this summer's return of the LUAU. We need you to make more great things happen. Find us on facebook: search Friends of Harmonie State Park, visit friendsofharmonie.org or pick up a membership form at the office or Nature Center. Thank you!
