The Friends Group wants YOU!

Our non-profit Friends of Harmonie group has made great things happen! Mulching the playgrounds, bluebird houses, a permanent stage, preserving the Big Oak tree slice, the baby pool shade structure, Nature Camp and planning this summer's LUAU. We need you to make more great things happen. Next project is a 30x50 shelter house by the Nature Center! Find us on facebook: Friends of Harmonie State Park, visit friendsofharmonie.org or pick up a membership form at the office or Nature Center.
