LIEBER STATE PARK
Presents:
THE ANNUAL
HORSESHOE TOURNAMENT
WHEN: July 25, 2015
WHERE: Sports & Activities Field
TIME: 1:00 p.m.

One point for the closest shoe or 2 points for the two closest shoes. Hitting the backboard is a dead shoe, and it may be removed from the pit. Leaners count 1 point. One ringer cancels out another ringer. A ringer is scored when a straight line can be drawn from the two points at the tips of the shoe without touching the stake. Men start at board. Women can take three steps closer. The game is won when a team reaches 21. They must win by two points. All decisions by the Lieber Tournament Official are final.
