## Program Descriptions

**Abe's Indiana** – Visit the nature center and learn what Indiana was like in 1816 when Abe moved here.

**Bee Buzz** – Come to the nature center for a presentation on honeybees and then see our beehive

**Butter making** - Visit the Jones Home and learn to make butter the old fashioned way.

**Candle making** – Visit the Jones Home and make your very own candle

**Cornhusk Dolls** – Come to the Jones Home and learn to make this classic pioneer toy.

**Creek Peek** – Join us at the nature center to go wading in a nearby creek. Be prepared to get wet.

**Creepy Crawly Bingo** – Come to the nature center to play bingo and learn about some creepy crawly critters.

**Jones Home Tour** – Come tour the home of this friend and mentor to Abraham Lincoln

**Lincoln State Park through the years** – Come to the nature center for a presentation on park history from 1879 to the present.

**Meet Katniss** – Come to the nature center and join us for a hike to search for Katniss and other edible plants.

**Nature Bingo** – Come to the nature center for a new twist on this classic game

**Nature Preserve Hike** - Join us at the nature center for a hike to see the park's nature preserve and learn about some rare plants.

**Nature Video** – Come to the nature center and watch a nature related video on our big screen TV.

**Night Hike** – Join us at the nature center for an evening hike around Lake Lincoln.

**Owl Hoot** – Join us at the Lincoln Bicentennial Plaza for a chance to hear or maybe even see one of the owls of Lincoln State Park.

**Pet Rocks** – Visit the nature center and make your very own pet rock.

**Roving Naturalist** – Find the naturalist in the campground and see what he is up to.

**Scavenger Hunt** – Come learn some secrets of the Jones Home and win a prize.

**Snakes** – Visit the nature center and learn about some of the snakes of Lincoln State Park.

**Survivorman** – Visit the nature center and learn about what it took to survive in frontier Indiana.

**Tick Talk** – Visit the nature center and learn about ticks and tick born disease.

**Tremendous Trees** – Visit the nature center and learn to identify some common Indiana trees and make a leaf print to take home.

**Watching Wildlife** – Come to the nature center and learn some techniques for finding and watching wildlife.

**Weber Lake Hike** – Join us the Troy Road Picnic area for a hike to learn about a reclaimed stripper pit.
