

Woodcock Walk

Monroe Lake, Fairfax SRA

Wednesday, March 7 at 6:15 p.m.

American woodcocks begin their search for a mate in early spring. As the sun goes down, we'll try to sneak a peek at the male courtship behavior. The combination of a distinct call and an aerial display make this an enjoyable bird to both watch and hear!

Free, but limited to 10 people.

Pre-registration is required by March 2.

Call 812-837-9546 or email jvance@dnr.IN.gov.

Registered participants should meet the naturalist at the parking area for the Fairfax SRA Hunter Check Station (on west side of entrance road).

We'll be outdoors the whole time, so please dress for the temperature.

In the event of rain/snow, the walk will be cancelled (woodcocks don't really like bad weather either!).
