

# BUTTERFLY HIBERNATION BOX WORKSHOP

**Paynetown SRA  
August 30 at 2 p.m.**

**Enjoy the butterflies that float about your yard?  
Want to help them make it through the winter?**

You can provide some protection for overwintering species with a hibernation box! Workshop participants will learn about the different strategies that Indiana butterflies employ to survive the winter and then assemble (and decorate!) their own wooden butterfly hibernation box.

**Sign up at <http://bit.ly/butterflybox2015>**

**Registration required by August 24.**

**Limited to 8 kits.\* Cost is \$25 per kit.**

**Recommended for ages 14 and up;  
children under 16 must be accompanied by an adult.**
